Expectant Mother is Caucasian – Blonde Hair – Blue Eyes

Expectant Father is Caucasian

Other children 3 all blonde hair and healthy.

Birth father knows about the pregnancy and is toxic. Currently incarcerated.

She has no transportation or stable place to live at the time. She is currently living in a hotel.

She has no close family.

Reason for adoption: homeless, financially unstable. Currently have 3 other children that are living with a relative. Until she is able to get her own place and provide them a stable home.

From the Expectant Mother:

Looking for a family that can provide an open adoption and not judge me for the bad decisions I have made. I'm trying to get my life together and placing my baby girl is one of the steps I'm taking to doing that.

I have not been good at going to my appointments because I have no transportation. I am a fairly healthy eater and the doctors said that the baby was healthy and things looked great.

I really don't want to share my medical history with everyone, but will release all medical history related to my pregnancy to the family that I choose. I don't have any medical or health risk. I was recently checked for hep c and it was negative. I don't drink or do hard drugs. I have smoked pot, but that's about it.

Expectant Mother is requesting birth mom expenses to be covered

Counseling ,Legal fees related to the adoption reasonable living expenses (housing, food, maternity clothing, utilities, and transportation). There is a statute to living expenses that the period of payment may not exceed 90 days prior to the birth and 45 days after the birth.
