Why are you considering adoption? Going through with an adoption plan is important to me so I know my child will be well taken care of because I am not capable of raising a child in my life at this time I am struggling and almost due. I've been homeless for some time and I'm trying to do better but i am not ready to birth and raising another child is not in my best interest. I am 7 months pregnant with a baby boy and need to give him a good family! Just to difficult for me.
