Adoption Cost & Fee Breakdown

Cost - More Details

We cannot work with NY, NJ or any states that don't allow the use of a facilitator.

COST OF THE ADOPTION – CALIFORNIA FINALIZATION (Adoptive Parents that reside in CA)

The estimated cost of the adoption is approximately \$38,000 which includes a Facilitator Fee; Case Management and Legal Fees; Birth Mother Expenses; ICPC Fee (if applicable); Motion Fee to terminate the rights of the father; Adoption Service Provider; State of California, Department of Social Services.

COST OF THE ADOPTION – NON CALIFORNIA FINALIZATION (Adoptive Parents that reside outside of CA)

Estimated cost of the adoption as a NON California finalization is \$23,000. This includes a facilitator fee and limited case management fee.

PLEASE NOTE: For an out of state finalization, our office will not be involved in managing the case or handling the legal portion of the case. You will need to finalize in either your home state or state where mother resides. You will be required to obtain an attorney and/or agency in addition to any third-party providers as needed under the law of the state where finalization will occur.

We are unable to quote the cost for those items in another state. We are also unable to say what your state allows for payment of birth mother living expenses. You will need to add the cost of any fees, costs and expenses in either your state or birth mother's state to the estimated cost we provide.

TOTAL ESTIMATED COST OF THE ADOPTION: \$38,000.00

(Basic Members - Please add \$3,000 to total cost above for AFMC Networking Fee)

REFUNDED IF ADOPTION FAILS:

DUE UPFRONT IF/WHEN YOU ARE CHOSEN

- AFMC Networking Fee (Basic Members Only): \$3,000**
- AFMC Profile Submission Fee (Basic Members Only): \$25

***Funds are due within 48 hours of being selected by the expectant mother.** Under NO circumstances should you submit your profile or request to be considered **UNLESS** you have the ability to immediate access to the liquid funding necessary to pay the upfront fees listed above. Please be realistic in regards to your ability to pay the total estimated cost of the adoption by the time the expectant mother delivers her child. If you do not have the total amount required for this adoption available, AFMC recommends that you get PRE-APPROVED for an adoption loan BEFORE you submit for this or any other situation that exceeds your current budget to make sure the adoption will not fall through due to an inability to pay.
