Learning issues - IEP at school Mental health diagnoses are ADHD, erratic reaction to high stress situations (more if he doesn't get his way). Father says the child can be manipulative and lies.

Father is unable to parent and provide the time, attention, and patience his son needs. He is open to any family who is willing and able to handle a situation such as this one. He hopes to find someone who is open to contact after the adoption but understands if that is not possible.

He would like to move forward immediately with a placement Child has indicated a preference to be an only child and father thinks that may be the best situation for him but will consider those with other children.

Father believes his son's anger is mostly when he has interactions with his half-sister. While he has threatened his sister with bodily injury, he hasn't actually been violent to any person or animal. He does well in school with the teachers and children there Cost for a non-California finalization is anticipated to be at or about \$15,000. Advertising service is involved.

Adoption Cost & Fee Breakdown

Cost - More Details

If you are interested, the coordinator will contact you to give you more details and fees that are involved. Cost for a non-California finalization is anticipated to be at or about \$15,000. Advertising service is involved.
