All States **EXCEPT** New York,
New Jersey

Mother's Location:

California

Due Date:

3 year old girl

Level of Openness:

Open

Child's Ethnicity:

Biracial, African-American,
Caucasian

Child's Gender:

Girl

Requested Family Criteria:

All Family Types

Drug Exposure:

Unknown

Additional Information:

Mother is placing her 3 year old daughter for adoption.

RACIAL BACKGROUND:

Mother is $\frac{3}{4}$ African American; $\frac{1}{4}$ Caucasian

Father is African American

BIRTH FATHER STATUS:

He is an alleged father. He likely will not cooperate with an adoption plan but mother doesn't believe he will contest or hire an attorney. His rights will need to be involuntarily terminated according to the law of the state where finalization occurs.

HEALTH STATUS:

The child does have asthma and gets bronchitis sometimes. Other than that, she is a healthy little girl, according to her mother. We are currently working on obtaining medical records but we do not have them yet. We are unsure how long it will take to receive them.

REASON FOR PLACEMENT:

This mother just recently placed two of her children for adoption. She has 2 other children that live with her and those children need extra care due to health issues so she feels she is unable to provide her youngest daughter with the care and time she needs and deserves.

REQUIREMENTS FOR ADOPTIVE PARENTS

She is open to ALL families

CONTACT AFTER PLACEMENT

She would like letters and pictures after placement

TO PRESENT:

If interested in this situation, please submit your profile for consideration. If mother is interested in a family, I will reach out to coordinate a phone call between the potential adoptive parents and the expectant/placing parent.

PROFILE AND ADDITIONAL INFORMATION:

Profiles must be in pdf format and no more than 10 pages long. Please no links or online profiles. If your profile is too large to send as a regular attachment, we will not be able to use it. Please make sure it is saved as a pdf with a file size small enough to be easily emailed.

- Our preference is 4-6 pages but will accept up to 10 pages as long as the profile size is small enough to be emailed to the birth mother. If you are not able to email it to us, we will not be able to email to the birth mother.
- Please include in your email the following information: ages, length of marriage, occupation, race/ethnicity, state in which you reside

Adoption Cost & Fee Breakdown

Cost - More Details

COST OF THE ADOPTION – CALIFORNIA FINALIZATION (Adoptive Parents that reside in CA) This situation comes to us through an advertising service so there is a fee for that entity.

The estimated cost of the adoption is approximately \$37,000 which includes an Advertising Service Fee; Case Management and Legal Fees; Initial Costs Deposit; ICPC Fee; Motion Fee to terminate the rights of the alleged father; Adoption Service Provider; Independent Counsel; and State of California, Department of Social Services.

COST OF THE ADOPTION – NON CALIFORNIA FINALIZATION (Adoptive Parents that reside outside of CA) Estimated cost of the adoption as a NON California finalization is \$21,800. This includes an advertising service fee and limited case management fee.

PLEASE NOTE: For an out of state finalization, our office will not be involved in managing the case or handling the legal portion of the case. You will need to finalize in either your home state or state where mother resides. You will be required to obtain an attorney and/or agency in addition to any third-party providers as needed under the law of the state where finalization will occur.

We are unable to quote the cost for those items in another state. We are also unable to say what your state allows for payment of birth mother living expenses, if any. You will need to add the cost of any fees, costs and expenses in either your state or birth mother's state to the estimated cost we provide.

WHEN FEES ARE DUE

Fees are due upon match. A match is considered to be made once mother and adoptive parents decide to work together. Please make sure you have funds available prior to presenting for this situation.

***Funds are due within 48 hours of being selected by the expectant mother.** Under NO circumstances should you submit your profile or request to be considered **UNLESS** you have the ability to immediate access to the liquid funding necessary to pay the upfront fees listed above. Please be realistic in regards to your ability to pay the total estimated cost of the adoption by the time the expectant mother delivers her child. If you do not have the total amount required for this adoption available, AFMC recommends that you get PRE-APPROVED for an adoption loan BEFORE you submit for this or any other situation that exceeds your current budget to make sure the adoption will not fall through due to an inability to pay.
