Adoption Cost & Fee Breakdown

Cost - More Details

The total cost is dependent on the following factors:

- **Reasonable living expenses for the prospective birth mother and the child for a reasonable period of time** (All prospective birth parent expenses are approved by a South Carolina judge, and birth parents must offer receipts for requested expenses. A prospective birth parent's requested expenses will vary depending on their individual financial needs, as no two prospective birth mothers' situations are exactly alike)
- - ICPC fees (if applicable) - <http://icpcstatepages.org/southcarolina/info/>
- Birth parent counseling (if requested/needed)
- Attorney fees (which ever attorney you choose)
- Travel/lodging when traveling to pick up the child

TOTAL ESTIMATED COST OF THE ADOPTION: \$10,000.00

(Basic Members - Please at \$3,000 to total cost above for AFMC Networking Fee)

REFUNDED IF ADOPTION FAILS:

DUE UPFRONT IF/WHEN YOU ARE CHOSEN

- AFMC NETWORKING FEE (BASIC MEMBERS ONLY): \$3,000**
- AFMC PROFILE SUBMISSION FEE (BASIC MEMBERS ONLY): \$25

***Funds are due within 48 hours of being selected by the expectant mother.** Under NO circumstances should you submit your profile or request to be considered **UNLESS** you have the ability to immediate access to the liquid funding necessary to pay the upfront fees listed above. Please be realistic in regards to your ability to pay the total estimated cost of the adoption by the time the expectant mother delivers her child. If you do not have the total amount required for this adoption available, AFMC recommends that you get PRE-APPROVED for an adoption loan BEFORE you submit for this or any other situation that exceeds your current budget to make sure the adoption will not fall through due to an inability to pay.

**Upgrade your membership to Elite or Ultimate level before submitting your request to avoid paying this fee)
