

Our Adoption Profile

Bob and Sarah

*Dear Birthmother and family,
We can not even begin to imagine what you are going through. The decision you have to make is a tough one but please know that your child will always know who you are, if you choose. You gave him/her life and the first love which will never be forgotten. If and when you are interested we will be available and supportive of your involvement.*

We are so excited and ready to welcome a second child into our lives

Our Home:
We are centrally located between Sarah and Bob's families and it fits us perfectly as we love getting together and being involved in all the milestones of life. Our house is in a cul-de-sac with very little traffic and wonderful neighbors. We are blocks away from a park and a local grade school.

Sarah's family consists of her grandfather, mother, step-father, step-sister, and brother

Bob's family contains his mother, father, brother, sister-in-law and 12 year old niece

Sarah works as nurse in a local hospital in Bismarck, ND. She is in a Cardiac Program Coordinator working with patients during and after a heart attack. One aspect she loves is, that her job has flexible hours allowing a lot of time for family. In her spare time Sarah loves to be outdoors. Some of her favorite activities include waterskiing, going for walks, bike rides, and camping.

Sarah absolutely loves being a mother and enjoys helping Henry explore the world and see how wonderful and fun it can be.

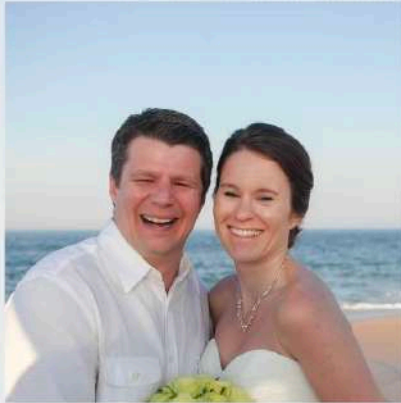

"I am beyond excited to welcome another child and show him/her all the great wonders the world has to offer"

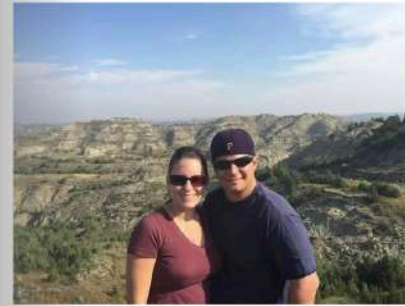

Bob is an emergency room nurse at a local hospital in Bismarck, ND. He works three 12 hour shifts a week leaving time for family and many other fun activities. Bob loves to head out on his boat and go waterskiing, camping, kayaking, hiking, biking, and pretty much all sports. He loves to travel and experience new things. Bob has been to 3 countries and all 45 of the 50 states and just needs to go to Vermont, New Hampshire, Maine, Hawaii, and Alaska.

Bob really loves teaching children and is looking forward to helping a son or daughter to ride a bike, ski, and experience many adventures.

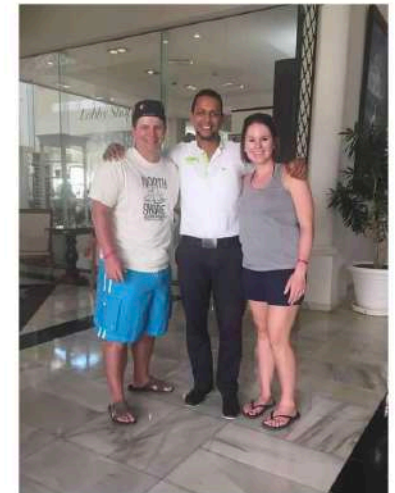

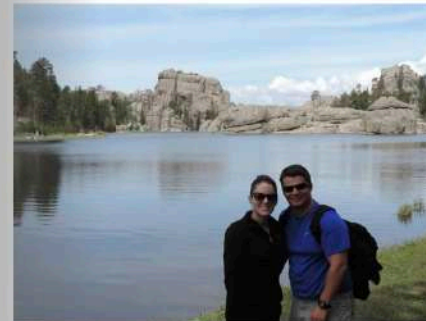

One thing Bob really loves about being a father is seeing the smile on Henry's face.

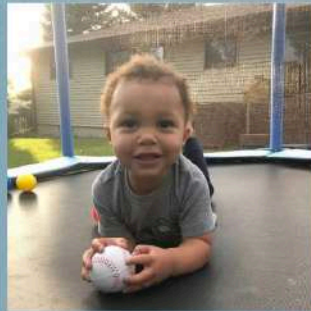

Bob and Sarah met in nursing school and married in 2014 on a beach in Florida. It was a small ceremony surrounded by their closest friends and family. They both describe it as perfect and beautiful.

We have a passion for exploring whether it be within our home town or out of state. Most of our travels are on hold while we build a family but we are so excited to include our children and help them experience all the wonders too.

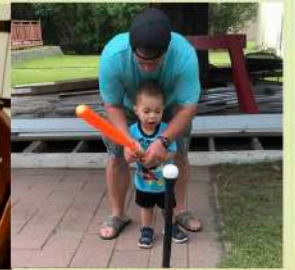

Henry was added to our family in June 2017 through an adoption in Florida.

Henry is a sweet, fun-loving, energetic boy. He loves to act goofy and be adventurous but also can be very sweet and cuddly at the same time. He continues to amaze us with everything he is learning.

We remain in contact with the birth family with sharing of milestones and pictures

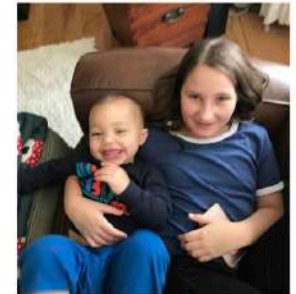

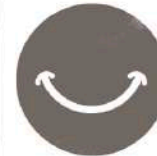

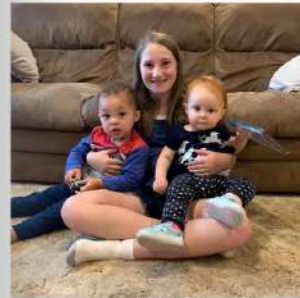

Fun things that we like to do as a family. Go to the beach, play outside in our yard, go camping, snow sledding, community events (pumpkin patch), zoo, puzzles, and so much more!

Sarah and Bob love spending time with Sarah's younger brother, Payton (age 19). He is finishing his freshman year at an university in the same town and often visits. Henry absolutely adores his Uncle Payton.

So much fun hanging out with all the cousins from both sides of the family!!
