

# Hello

## About us:

We were both born and raised in Tennessee. We first met on the same street where we lived and grew up six houses down from each other! The love didn't begin in the neighborhood though. We started dating during Monica's senior year of college, and four years later after dating I proposed the weekend of my birthday. We have been married for three years since April 16, 2016. We both come from families that are very close, so we have always wanted a big family. Family is

extremely important to us, and we are so excited to add a child to ours. Monica is a kindergarten teacher in where she teaches five year olds and prepares them for first grade. Reggie is a life coach for a non-profit organization where he goes into the schools and educates youth on life choices. He

also spends time coaching high school basketball.

## To someone special:

More than anything, we want you to know that we will love your child unconditionally and will devote our lives to providing him or her with all the love, security and joy we can offer. We want your child to always know where he or she came from. Our dream is to have a family of four one day! Unfortunately we aren't able to get pregnant so we are hoping to adopt. Thank you!

## Our home:

We absolutely love our home! We live in a 3 bedroom, 2 bathroom house. Our neighborhood consistent of a mixture of retired elderly people and young couples with little kids. So someone is always home and someone is always riding bikes or walking their kids in a stroller on the sidewalks in our neighborhood. We live two minutes from the park and 10 minutes from downtown where there are plenty of kid friendly things to do!

Sincerely,  
Reggie & Monica
