## Dear Expectant Mother,

We hope all is well, and that you are feeling the best you can during this difficult time. We have never been in your shoes, but we hope we can be a place of comfort for you along this journey. We want you to know how special you are to us, and how much we admire you for considering adoption as an option. We promise to always respect you, and to uphold whatever your wishes are for your baby, if you feel we are the right fit for you. We know this is just a glimpse into our lives, but we hope you are able to see how much we love one another and want you to know your baby will be just as loved.

## OUR ADOPTION JOURNEY

Adoption has always been something we had considered, but adoption became our reality in 2016 when Kristin had to have a hysterectomy due to endometriosis.

# Our Story

*We were friends for a few years and decided to start dating in 2013. August 7, 2014 we married and have been doing this thing we call life together ever since!*

# ABOUT US

WE AREN'T PERFECT AND WON'T CLAIM TO BE, WE MAKE MISTAKES, WE AREN'T RICH, AND SOMETIMES CUSS WORDS SLIP OUT. WE HAVE CHRISTIAN VALUES, WE ARE HONEST, OPEN MINDED, HARDWORKING, SINCERE, AND LOVING PEOPLE THOUGH. WE CAN PROMISE YOU YOUR BABY WILL NEVER FEEL OUT OF PLACE WITH US AND WE WILL GIVE THEM A LIFETIME OF LOVE.

We have two beautiful daughters. Braylee is our oldest, shes 12. Mercy is our youngest and she is 5. Both of them can't wait to be big sisters!

As a family we love spending time at the lake, fishing, being outdoors, taking road trips, Camping, going to concerts, playing with our animals, baking with grandma, dancing, and making life an adventure. There is seriously never a dull moment in our home.
