

HELLO AND WELCOME BIRTH PARENT

We are Paul and Natasha, residing on a small family farm in a charming town in Kentucky! We have been married for 9 years.

We are excited to build our family through adoption. We are looking forward to being able to welcome another child into our hearts and home.

We want to thank you for taking the time to look at our profile and consider us. Adoption is a huge decision and we want you to know you're not alone. We are with you and so is God. We are praying for you and your child.

Should you think we are the right match for your child we will do our best to bring the child up to honor God. Some values that we will instill are kindness, honesty, and to love everyone.

We are praying for you and your child!

THANK
you
