## **The story of Us**

*We originally met in Pell City, Alabama on Sunday afternoon nearly 10 years ago. Little did we know that on that afternoon God had just introduced two best friends for life. Though it was our love for dogs and outdoors that initially brought us together. We soon learned there was much more that God had planned for us. As time went on their relationship developed deeper and stronger than we could ever imagined. Our relationship has had many journeys and adventures along the way that has helped us create a bond that is unbreakable. We have moved to Prattville, Alabama to further our careers that we both love. In this move almost 4 years ago, we married in front of our family and friends. After all of this, we knew a piece of our lives was missing, Through a failed IVF attempt, we learned that God's plan was for us to adopt.*

## Our House

*We live in a family oriented neighborhood, with many parks, beaches, and amusements within driving distances. Our home has 3 large bedrooms and 2 bathes. We spend most of our time in our open family room, but we really enjoy our big back yard.*
