

We want to thank you for taking the time to get to know us and for considering us as parents to your child. We understand the decisions you are faced with right now are not easy and we wish you the best as you make this decision for your child's future.

After dealing with infertility for several years we realized that adoption was the plan God had for us in growing our family. We have already been incredibly blessed with the adoption of our son Jamin. We both feel like our family is not yet complete and we have decided to again pursue adoption to find our missing piece. We also want Jamin to have a sibling to grow up with. Darrin and I both come from big families with siblings close in age and we want our children to have the same joys we had growing up with siblings.

LOVE *story*

We have been married for 7 wonderful years.

We met at Melanie's twin sister's wedding. We fell in love almost instantly and were married the next year. We have never once regretted our decision to marry.

We both grew up with the same beliefs and teachings. We belong to a wonderful supportive church that we are quite active in. We work very well together in accomplishing our goals.

Family is very important to both of us and we both come from very close families. They are all very supportive of our decision to adopt and can't wait to meet our next child.

We both have the same desires and goals and we believe that is what has made our marriage so STRONG.

Darrin is truly the most amazing and wonderful man I know. He is KIND, GENTLE, and has a HUGE HEART. He is truly my best friend! He loves spending time with me and enjoys doing things together. Darrin has a calmness about him and is able to help me relax and stay calm in stressful situations.

Darrin has a crazy sense of humor that makes me and others around him crack up a lot. He loves spending time outdoors. Camping, fishing, boating and grilling are a few of the things he enjoys.

Being a daddy is something Darrin has always wanted to be and he is truly an amazing one. It is always the highlight of the day for Jamin and I when daddy comes home. Watching them play together makes me so proud of both of them.

Melanie is always cheerful and upbeat and is able to cheer me up when I need it. Her personality compliments mine very well. ***She is exactly who I need to be my partner and my wife.***

Melanie is a great communicator and is always supportive of me and thinking of ways to improve our relationship. I love it that she always has a wonderful home-cooked meal ready for me when I come home from work in the evening.

Being a mother is something Melanie has dreamed of ever since she was a little girl. It is so beautiful to watch her with our son. She is truly a wonderful mom!

Darrin was born in Ohio and has lived there all his life. He has one brother and three sisters. All of his family live within 3 miles of us. We spend lots of time together with them. Darrin and his brother own a garbage removal company. His job has great hours. It allows for lots of time to spend together. He loves helping around the house. He also really enjoys grilling and he will often grill something when we have friends over.

Melanie was born and raised in Mississippi. She has one brother and two sisters. One of her sisters is actually her twin. Her parents live in Mississippi, her little sister is in Louisiana and her twin sister lives here in Ohio a few miles from us. Melanie loves to garden and has a large vegetable garden every year. She also really enjoys baking and loves to try out new recipes. She is currently working as a secretary for her husband's business. She does most of her work from home which allows her to be a stay at home mom.

JAMIN

This blonde haired brown eyed little boy is the sunshine in our lives. He joined our family at birth on April 20, 2019. We are so grateful to his birth mother for giving us the privilege to raise him. He is a very friendly little boy and will smile at anyone. He loves playing with other children and I know he will be the greatest big brother. We cant wait for him to have a sibling to play with.

Being together is our favorite thing to do. Whether its working or playing we just enjoy being together as a family. Camping is something we both really enjoy and we usually go camping together with Darrin's family every year. We also enjoy hiking, taking walks on a nearby trail, picnicking by the lake or just sitting around a fire in the evening with friends or family. We just love the outdoors. We also both enjoy traveling and we usually take several road trips every year. We usually go down to Mississippi once a year to visit Melanie's parents. Holidays are usually always spent with family. We trade off every other year spending Christmas with Melanie's family one year and then with Darrin's family the next year. Birthday's are special occasions and we celebrate each one's birthday together with our families.
