

Drew & Stephanie

# DREW

Drew cannot wait to add to our family! When he isn't driving ships in Alaska, he enjoys spending time with the kids, camping, hiking, karate, water sports, puzzles, and building things.

# Stephanie

Stephanie loves being a mom! She is always busy making sure the kids are learning and having fun. She often takes the kids to the Nashville Zoo or area parks. Her favorite things are Mexican food, all things Disney, exploring with the kids, camping and coffee.

# CHASE

Chase is the oldest at 21, and is getting ready to finish College soon where he studies Concrete Management. He is getting married to his first love, Stacy, in May. As an added bonus, this will bring Miss Emmaline, Stacy's five-year-old Daughter into our lives for good!

Chase is a terrific Big Brother, and loves to take his siblings to see sporting events, especially football and hockey. He loves all sports, fishing, hunting, camping, and anything outdoors.

# KYLIE

This is Kylie our 18 year old. She is currently attending College to study Criminal Psychology. The musical one of the family, Kylie was in marching band all through high school, and has played the saxophone since 6th grade. She has been a competitive cheerleader and gymnast and loved participating in competitive Color Guard in high school.

Kylie loves true crime and musical theatre. At any given time, she can be found curled up with a book or Netflix. She also loves hiking and being out in nature, and is a Disney fanatic.

She is super-protective of her siblings, and is a force to be reckoned with to anyone who messes with them!

# COBEN

Coben, age 15. Coben came to live with us at age 5. He has adapted to our family perfectly, and has been a joy. He is living testimony that children in foster care can lead a successful life in a new home. He loves his siblings and pets, and really enjoys skateboarding, video games, swimming, drawing and camping. He is very excited to have a new sibling and is an amazing big brother!

# AVERY

This is "Amazing" Avery age 10. A true artist at heart, Avery loves to experiment with colors and materials no matter how big the mess! Like Coben, she was adopted from foster care and has been a joy for our family.

Avery is very free-spirited, and always catches us off-guard with her wit and sarcasm and is the joker of the family. She is in love with her siblings and her cats, and loves to take acting classes, play the guitar, karate, and anything Disney.

# SOREN

This is Soren, our youngest and 4 years old. He was a joyful surprise after ten years of fertility issues. As the youngest of five, he takes life as it goes, and is very happy to participate in anything with his family. He loves gymnastics, camping, swimming, transformers, Paw Patrol, and karate, and has become as obsessed with Disney as his siblings.

He asks every day to go to theme parks and the pool, and is just an all-around happy guy.
