

Khandy and Kenneth

We're Adopting!!

WHAT LEAD US TO ADOPTION

WE BOTH LOVE CHILDREN AND WANTED TO HAVE A BIG FAMILY. VERY EARLY IN OUR MARRIAGE WE DISCUSSED ADOPTION NOT KNOWING THAT IS HOW WE WOULD BECOME PARENTS.

WE TRIED TO CONCEIVE NATURALLY AND AFTER SOME TIME WE KNEW THE PATH TO GROW OUR FAMILY WAS THROUGH ADOPTION. KENNETH HAS THREE ADOPTED SIBLINGS. THEY HAVE SHOWN US THAT LOVE IS LOVE, NO MATTER BIOLOGY.

2 YEARS AGO WE WERE BLESSED BY ADOPTION WHEN OUR DAUGHTER WAS BORN. THERE ARE NO WORDS TO DESCRIBE THE INSTANT LOVE AND JOY WE FELT WHEN WE WALKED INTO HER HOSPITAL ROOM AND SAW HER FOR THE FIRST TIME. LOVE AT FIRST SIGHT! HER FIRST MOTHER HAS GIVEN US SOMETHING WE ARE TRULY THANKFUL FOR. ADOPTION HAS BEEN A TRUE BLESSING TO US .

Khandy is a registered nurse but is currently a stay at home mom to their daughter! She has one older sibling and is described as hyper, funny, sweet, kind, emotional, and strong. In her free time she loves to try new Pinterest recipes, look for travel deals.

OUR BIGGEST BLESSING

We are so fortunate to have been blessed by Adoption already. Two years ago, our daughters first mom decided on an adoption plan and chose us to parent. It gives us so much joy to be her parents, we cannot wait to have more!

PEYTON

OUR DAUGHTER PEYTON IS THE MOST BEAUTIFUL, SMART, FUNNY, BRAVE, STRONG WILLED, CURIOUS, SWEET, SASSY, CONFIDENT, AND ADVENTUROUS LITTLE GIRL. PEYTON IS DEFINITELY A GOOD MIX OF GIRLY GIRL AND TOMBOY!! SHE LOVES HER DOLLS AND PRETTY DRESSES BUT WILL PLAY IN DIRT AND GET MESSY.

She is totally obsessed with reading. She adores books!!! Her favorite time of day is story time and will pick a book over a toy any day. Peyton loves to sing her ABC's and counting things. She loves any outdoor activity that includes jumping in mud puddles, collecting leaves, feeding the ducks at the local pond daily and playing in the rain. She loves all animals especially cats, even though we have dogs. We could not have imagined how parenthood would be. We truly are the luckiest parents ever. We are so excited to see our daughter as a big sister!

Our Girls

MARLEY & BROOKLYN

MARINE CORPS FAMILY

MILITARY FAMILY

We have had the privilege of being a Military Family for 10 yrs. We got married a few days after Kenneth graduated from Marine Corps boot camp at Paris Island. Honestly, we were 2 young people in love that didn't want to be separated.

HARDWORK

Kenneth is a Marine and also has his degree in Human Resources Management. He earned his degree while in the Marine Corps. He maintained his online classes while he was deployed in Afghanistan. Khandy calls him, her real life super hero! We both believe in hard work and education and hope to instill this into our children.

Our Home

WE OWN A BEAUTIFUL 4 BEDROOM HOME WITH A LARGE FRONT AND BACK YARD LOCATED ON THE CORNER LOT OF A CUL-DE-SAC.

WE ARE ONLY A FEW MINUTES AWAY FROM SOME OF THE MOST BEAUTIFUL BEACHES IN THE STATE. OUR NEIGHBORS ARE GREAT AND THEY ALL HAVE CHILDREN. PEYTON HAD IMMEDIATE FRIENDS!!! OUR SUBDIVISION IS VERY FAMILY FRIENDLY AND HAS A TON OF AMENITIES THAT INCLUDE A LARGE SWIMMING POOL THAT OUR DAUGHTER LOVES, A SOCCER FIELD, DUCK PONDS AND A VARIETY OF WALKING TRAILS.

THERE IS AN ANNUAL EASTER EGG HUNTS AND SANTA DRIVES THROUGH THE NEIGHBORHOOD EVERY CHRISTMAS EVE WITH THE LOCAL FIRE DEPARTMENT AND GIVES CANDY CANES TO THE CHILDREN!

Lisbon, Portugal

We have a passion for international travel. In our daughters short 2 years of life she has visited 5 different countries with many more to come!

The value of travel cannot be measured. We knew when we became parents, giving experiences rather than materialistic things would be important. There would never be a vacation we would take and want to exclude our children because we truly understand the value of learning from each and every country visited. The people, food, language, culture, fashion, climate EVERYTHING. We feel in order to truly live, enjoy and appreciate life; one must travel the world.

Family Time

WE'RE READY

We are so ready to add to the Bryant Family, the "crew " as we call it. We are truly your average everyday couple that has a beautiful daughter, 2 amazing dogs and would love to have to more children. Nothing about us is perfect, but we work hard everyday towards a common goal. We both genuinely love each other, love our daughter and the life that we've created. We would be truly honored to be chosen to be parents again through Adoption.

You may be asking why aren't there more pictures of our daughter Peyton. We are very protective of her. We don't show or post her on any public platforms. She is our prized possession and we want to make sure she is always safe and that her images aren't used or shared without our consent.

To A Loving Mother

THANK YOU FOR TAKING THE TIME TO LOOK AT OUR PROFILE. WE KNOW THIS IS A VERY EMOTIONAL AND CONFUSING TIME, AND WE WANT YOU TO GET TO KNOW US. HERE IS A BIT OF OUR STORY; WE MET 12 YEARS AGO IN THE BRONX, NEW YORK, WHERE WE WORKED FOR THE SAME COMPANY. IT WASN'T LOVE AT FIRST SIGHT, BUT WE FORMED A FRIENDSHIP THAT GREW INTO THE MOST BEAUTIFUL LOVE STORY. WE'VE BEEN MARRIED FOR ALMOST 10 YEARS, NOW, AND PRIORITIES ARE TO LIVE LIFE TO THE FULLEST, NOT TO LET THE LITTLE THINGS BRING US DOWN, AND HAVE FUN WHENEVER WE CAN.

IF YOU MAKE THE DECISION TO MOVE FORWARD TO AN ADOPTION PLAN, WE WANT TO ASSURE YOU THAT WE WILL LOVE AND CHERISH YOUR CHILD WITH OUR WHOLE HEARTS, PROVIDE FOR THEM AND TAKE THEM ACROSS THE WORLD. WE WANT HIM OR HER TO LEARN FROM EXPERIENCE AND VALUE HONEST, HARD WORK. WE PROMISE HE OR SHE WILL ALWAYS FEEL LOVED, AND THEY WILL ALWAYS HAVE TWO PARENTS THEY CAN RELY ON, TO HELP THEM IN ANY SITUATION AND RESPECT THEIR OPINIONS AND VIEWS.

WE ARE PRAYING FOR YOU AND YOUR BEAUTIFUL BABY THROUGHOUT YOUR PREGNANCY. THANK YOU FOR CONSIDERING ADOPTION, AND THANK YOU FOR CONSIDERING US.

WITH LOVE,
KHANDY &
