

HELLO! WE ARE

Stephen & Kristi

We are Steve and Kristi (& Henry).

Kristi: 32 years old, caring, smart,
loves being a mom

Steve: 35 years old, laid back, funny,
loves his family

Henry: 4 years old, Funny like his
dad, can't wait to be a big bro!

-- A LITTLE BIT --

About Us

We are Steve, Kristi and Henry. Steve and Kristi met in college have been married 8 years. We are both originally from Florida but recently moved to Alabama for a job opportunity. We are thankful that Kristi's mom also moved to Alabama with us and Steve's parents visit often. Family is very important to us and we are thankful to have one son named Henry and hopeful to adopt another child.

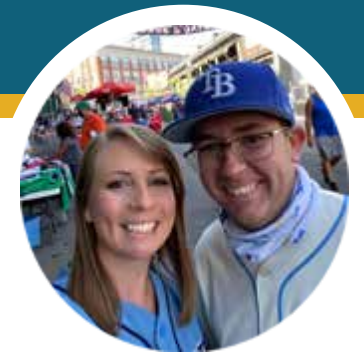

We love baseball, hiking, water activities and taking our son to play soccer. We also enjoy fishing, swimming and canoing. Sunday evenings we do family dinner with my mom and usually you will find Steve on the BBQ. We love exploring and traveling as well.

We are both Christian and active in our church. This is a big part of our life and important for us to help teach our children about God's love from an early age. We thank God for our son and know he has a plan for our expanding family as well as a plan for the birthparents of our son and any future child. We pray that anyone considering adoption can turn to God for comfort and support through this difficult time.

We believe in providing a loving and nurturing environment where our child can thrive. We try to provide a routine for our son that includes learning as well as a lot of fun activities. We value education and our son is in private school and we plan to put our next child in private school as well. We strongly value education and the opportunity it brings. We would plan to place our future child in private school as well as paying for their college.

God has blessed us with one son named Henry. We adopted him from birth and he is a so kind, caring and loving. He loves to play sports and be outside. He is great with all of our friend's babies and he can't wait to be a big brother!!!

Meet Kristi

There is nothing Kristi loves more than being a mom. She is hardworking, very kind, and loves to play with her son Henry and his buddies.

Kristi loves to go to the beach and mountains. She is who got Steve into hiking. Growing up in Florida, she loves fishing with her dad, and now Steve and Henry. When in Florida, she loves to paddleboard. Her favorite thing on Saturday morning is cheering on Henry at his soccer games.

Kristi is unable to have children and looks forward to the day they welcome another child into their home. She wants to give her son and future child the world and they will never feel unloved with her as their mom!

Meet Steve

Steve is the best dad!! He loves being a dad and is always there for our son Henry. He is very laid back and funny. He can get along with anyone. He works very hard and on the weekends just wants to spend time with family and friends.

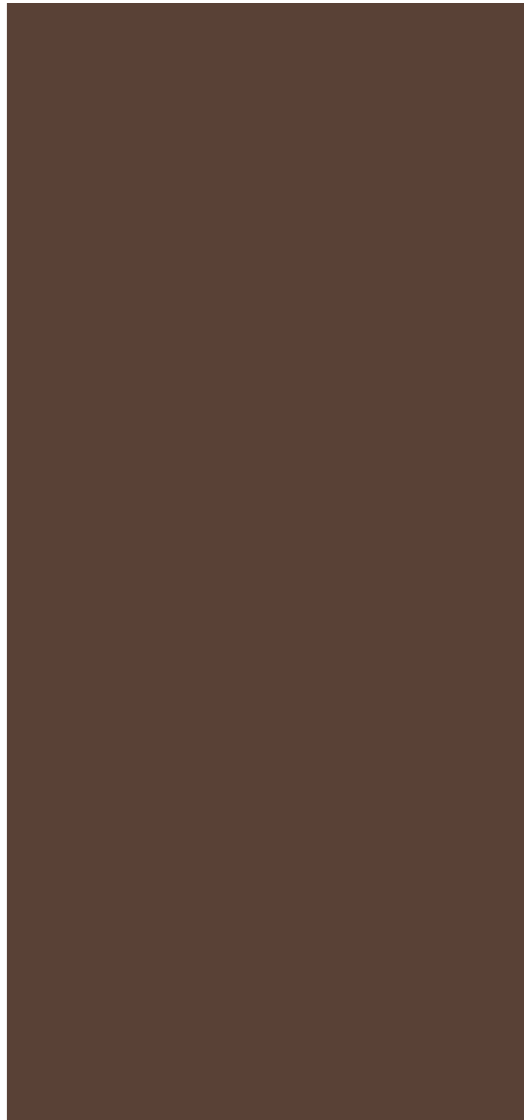

Everynight Steve helps me tuck our son into bed by playing a quick batman game, reading a book, and then saying prayers. He is very loyal to his family and has a huge heart. He looks forward to raising another son or daughter and can't wait to expand our family.

Steve loves his family. He is very close to his mom. Steve is a big baseball fan. He loves taking Henry to baseball games. During soccer season, he is at every one of Henry's soccer games. He can't wait to bring another child into our family.

Our family means to the world to us and we enjoy all of our time with them. We have 11 nieces and nephews so there's no shortage of cousins to play with!

Our Family

-- OUR FRIENDS --

Our parents love being grandparents and can't wait to have another grandbaby. They are very supportive of our adoption plan.

Every summer Grandpa takes all the kids to the toystore in the small mountain town he spends his summers at in North Carolina. It is the highlight of all the kids trip!

Our Home

-- AND COMMUNITY --

We are fortunate to live in a very comfortable. 5 bedrooms, 3000+ sq ft house with a very peaceful front porch. We live in a great neighborhood with tons of other kids. The neighborhood has multiple pools and playgrounds and hosts a lot of activities for neighbors to participate in such a farmers markets and holiday events.

We love our backyard as it has provided us with some many good memories. We enjoy sitting by our fire pit, BBQ Sunday dinners and playing with our two dogs. In the summers, we keep a flower garden.

The outside of our house has a great front porch with a swing. In the spring and summer you will often find Henry and I hanging out on the front porch

We are fortunate to have the financial means to adopt, provide private school and provide a very safe, nice environment for our children.

Henry in our backyard eating a Popsicle this summer

Christmas time is my favorite. We love decorating the house for it.

Neighborhood Pool

Fishing pond in the neighborhood

We love our home

WE WANT TO
Thank You

Thank you for taking the time to read about our family and consider us to parent your child. We are praying for you through this difficult time.
