

LINDSEY & BRYAN

WE ARE LINDSEY AND BRYAN

This book gives a glimpse into who we are and the love we share. We prioritize each other and quality time together and share lots of joy, love, and laughter with one another. Seeing and experiencing new places and adventures is one of our favorite things to do. But **above all else, we want to nurture growth and help each other become the best version of themselves.** We have always wanted to adopt and grow our family through adoption.

WE CAN'T WAIT TO ADD MORE ADVENTURES WITH OUR FUTURE CHILD AND WE ARE LOOKING FORWARD TO MANY MORE MEMORIES TO COME.

with love.

LINDSEY & BRYAN

OUR FAMILY

from just the two of us

We met at a college group at our Church in 2012. We dated for 8 months and had lots of mutual friends. **Lindsey knew after 3 months of dating that Bryan was the one, she would spend the rest of her life with.** After 8 months of dating, Bryan proposed at the end of a special day. He took off work and we revisited our favorite places that we enjoyed while dating. We went to the beach, Fiesta, a beautiful lookout point, Bryan's grandparents, where they had a picnic served to us on their patio, and last but not least a fancy Steak house restaurant where Bryan got down on one knee and proposed! In 2013, We got married on New Year's Day and love that we share our anniversary each year on the first day of a new year!

HOME IS WHEREVER I AM WITH *You*

We live in a 3 bedroom, 2 bath house in beautiful California. Our home is an open floor plan with a large kitchen, walk-in closets, and vaulted ceilings. We have a playroom for kids and are preparing the perfect nursery for our future child. **We spend our time having dance parties in the living room, swinging on our hammock swing, reading a good book on the couch, a cozy fire in the fireplace on cold nights, sharing laughter in our backyard with friends, and working in our garden.** We love to go to the library and check out books and visit the local farmers market weekly to pick up fresh produce and homemade sourdough bread. We love our home and community and cannot wait to add more memories with our future child!

WE FREQUENTLY GET TOGETHER
WITH FRIENDS & NEIGHBORS FOR
DINNERS EITHER AT THEIR HOUSE OR
OURS. WE PLAY DARTS IN OUR
BACKYARD WHILE WE ENJOY GOOD
HOME-COOKED MEALS.

MEET OUR DAUGHTER *Shiloh*

Shiloh is a **gentle and generous daughter and friend to all**. She is outgoing and loves to play with the neighborhood kids; biking, playing hide and seek, playing catch, and making a lemonade stand outside. She likes to bake, draw, and create cards for those she's thinking of. **You can expect to receive a written note/picture when she sees you**. Her favorite color is pink and she loves unicorns/rainbows. She enjoys playtime with Daddy and snuggles and reading with Mommy.

SHE IS SO EXCITED TO BECOME A BIG SISTER AND WE KNOW SHE WILL CARRY THAT NEW TITLE SO WELL.

OUR MOST CHERISHED MEMORIES MADE *together*

We live in a beautiful Mediterranean town in California full of activities. **It is a highly admired tourist area with hiking trails, natural hot springs, a lake, and multiple playgrounds and parks for kids to enjoy.** We love the community recreation center that features a gym and indoor games. Our daughter attends a gymnastics class there. We love to travel, especially to relaxing places like Hawaii and Florida. We enjoy walking to the creek down the road to play and skip rocks.

We visit the beaches often, building sandcastles, walking the harbor, and looking at the boats while eating ice cream. Bryan enjoys bodysurfing and boogie boarding in the ocean. **We go to our pool a few times a week** and enjoy diving for toys.

OUR EXTENDED FAMILY

is full of so much love and support

Both of our parents and grandparents live close by and we spend lots of quality time with them.

We enjoy birthday parties, BBQs, and going to plays with them.

Lindsey has one brother and a nephew who live in Arizona. Lindsey also has a stepbrother and step sister who live in San Francisco and they both have 2 little ones. **When we get together, we enjoy family time and seeing all the cousins play together!**

Bryan is the oldest of four! Growing up being the oldest Bryan has always had that big brother figure about him. His two younger siblings are 10 years younger so Bryan grew up making sure they were always well taken care of! His family enjoys getting together for family time and everyone is so excited to have another child to love on!

Our families are so supportive of our adoption journey and are frequently checking in on our adoption process. They are looking forward to loving our future child!

Thank You

For the opportunity to share these pages with you and for considering us! We want to create a safe place for our children to become successful well educated adults. We can't wait to grow our family through adoption and bless a child with this vision and love.
