

We are Chad & Janna. We have been adopted into God's family by the sacrifice of His Son. We are learning the depths of this treasure that's been imparted to us by God, our Father. These treasures have been revealed to us as we've walked through unlikely places- learning to love each other at the expense of our own comfort, hearing "No, child" from the Lord after years of fervent prayers, and receiving generous gifts from people we've never met. Our hope & prayer for you, dear one, is that you, too, will know this deep love from our good Father. Come, see His goodness to us!

BLESSED *beyond* MEASURE

Meet
Chad

Chad loves being outdoors. Janna says that plants grow just to please him. His lifelong goal is to live by the water so he can catch-&-release all day.

Knox & Sophia
love their
Daddy, and they
can't wait for
him to come
home every day!

Chad's also too
ornery for his
own good,
which endears
people (&
Janna!) to him.

Meet Janna

Janna loves curling up in a blanket with a book or watching a show while drinking coffee, or basking in the hot sun in the backyard while Chad gardens.

One of her favorite things is when Sophia wanders over to get some love...

The beauty of her neck of the woods reminds her of God's peace & joy.

She pours herself into her work on behalf of children in her community.

...or when Knox plops his head on her lap or shoves his nose under her arm for pets.

YOU
ARE
MY
Sunshine

Chad & Janna met when Janna began working as the Administrative Assistant at the construction company where Chad worked. For their first date, they ate green chile cheeseburgers while watching parade floats at their town's annual Christmas light parade.

They were engaged about a year later, and married 8 months after that. This year they will celebrate their 10 year anniversary. Together, they enjoy laughing & cutting up, taking short vacations around their neck of the woods, watching everything Marvel, hanging out at home or with family or friends, and participating in activities at their church.
