

Anna and Jordan

Dear Potential Birth Parents,

We are Anna and Jordan. We met online and made an instant connection. We dated for 2 years and were married in 2017. I fell in love with Jordan for his incredible loyalty and kind manner. Jordan fell in love with my compassion for him and others. We are madly in love with each other and extremely dedicated to our marriage. We have been together for over 6 years and love every minute of our journey together.

We wanted to start a family to share in the wonderful life we had created. We have always wished to have children and while we have not been able to have a child naturally, this challenge has not diminished our desire to start a family. We have so much love to give and want to make our family complete by bringing a child into our hearts. From this moment on we made our decision to adopt...

"For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future". - Jeremiah 29:11

Anna...

Anna has a rewarding career as a nurse. She takes pride in her work and enjoys the time with her patients and co-workers. Anna is compassionate, loving, giving and has a true maternal instinct. She does anything and everything to make her family, friends and patients feel happy and at peace.

Anna is always up for a new adventure. Being part of a military family is fun and exciting. Every Friday night we come up with new pizza recipes we learned while living in Naples, Italy. It is a tradition she will one day share with our child. She loves to cook, bake and enjoys traveling to new places near and far.

Anna's thoughtfulness, patience and warmth will make her an excellent mom. She shares so much of herself with everyone in her life. I have always known Anna to be a kind and caring person who lives life to the fullest.

Jordan...

I am so lucky to have a man like Jordan in my life. He is a dedicated, hard worker. Jordan has an exciting career as an active duty military musician. It is extremely important to him to make sure his family is safe and stable. Jordan is patient and a strong leader. I know I can count on him for anything, especially when it comes to our future family. He always puts family first and is willing to lend a helping hand to a friend or neighbor in need.

Jordan is so creative and loves to play the trumpet. He is excited to share his love for music with our child. He loves to watch movies and build model train sets. I believe he and our child will have so much to bond over.

I greatly admire Jordan's unselfish and loving nature, and I am so proud to have him in my life. I cannot wait to begin the journey of parenthood with him. I know he will be an incredible dad.

Anna's Family...

My dad, John, and his wife, Julie, have been married for over 25 years. Julie showed me the love and support I needed after my mom passed away when I was just 12 years old. Having her in my life has made me the woman I am today and she has inspired me to be the best mom to our child. My dad is so loving and such a great father. They cannot wait to have grandchildren and will be there to support us throughout our journey.

I share a special bond with my sister, Ashley. Although I don't get to see her as often as I like, we try to visit her a few times a year. I have two younger brothers, Jordan and Jaden. They are sweet and silly and will be amazing role models to our child. Everyone is so excited to welcome a baby into our lives.

Jordan's Family...

My parents, Mark and Sharon, have been married for over 40 years. They are the true definition of love and marriage. They have always shown my sister and I love, support and encouragement throughout our lives. They are going to be amazing grandparents who love and adore this baby.

My sister, Jennifer, is smart and loving. I admire the time I get to spend with her and we try our best to see each other a few times a year. I know our efforts will grow when Anna and I start our family. She is going to be an exceptional aunt who will love this baby beyond compare.

We hope that in reading this letter and looking at the special times that we have shared that you have some sense of who we are. We know that if we are fortunate enough to adopt, this child will be so loved because we are two generous, kind-hearted, responsible people who have so much to give.

We promise to raise this baby to love others, be kind and compassionate, and to always be willing to help others in need. Our home is filled with family and laughter. We will protect and guide this baby into childhood and adulthood.

We are excited about this new phase in our journey together and look forward to bringing a child into our lives. We are honored to be considered as adoptive parents and we would love the opportunity to meet with you.

Warmest regards,
Anna and Jordan
