

Eddie and Rob

Dear Potential Birth Parents,

We are Eddie and Rob. We were introduced by a mutual friend and had an instant connection. We began dating and fell in love fast and hard. When we met, Eddie had just adopted his son, Buddy. We bonded over our love for children and our desire to have a big family. We have always been surrounded by family and we knew that our lives had just begun. We have been together for 4 years and are each others best friend. Our connection and love is strong and vibrant. We have a deep trust in one another and continue to learn new things about each other as our relationship grows.

One thing we have shared since the beginning of our relationship was our love for children. It is our greatest wish to expand our family to share in our love and wonderful life we have built together. We are excited for the growth of our family through adoption..

What a precious privilege it is to be alive, to breathe, to think, to enjoy, to love!

Rob is determined and a hard worker as well as being a loving, caring and encouraging partner and father. He has an exciting career as a set designer. Rob is creative and enjoys ceramics. He adores his family and would go to the ends of the earth to help a family member.

Rob is funny and loves to make people laugh. He is intuitive and empathetic. Rob is a fabulous cook. He is a natural in the kitchen and enjoys spending time and making memories with Buddy through food.

What I love most about Rob is his ability to make everyone around him happy. He has an undeniable love for his family. Rob is an amazing role model and dad. I am so lucky to have him in my life and I know how much joy having another child will bring him.

Buddy...

Buddy is an incredibly joyful 5 year old boy. He is an imaginative, kind hearted and playful boy. He loves art and coloring and being with people. Buddy has a good sense of humor, a genuine sense of curiosity and adventure. He has a giant heart and will be the best big brother!

Eddie's Family...

My parents, Cheryl and Joseph are such supportive parents and love to see their children thrive. My mom is a therapist and is loyal and loves taking care of her family. She is very smart and is such a fun, loving grandmother. My mom is married to Steve who is a college professor. He is smart, loving and curious. The grandchildren love to hear him tell stories. My dad is a lawyer and has always been a dedicated, hard worker. He was married to Sandra who sadly passed away last year. She was fun, loving and contagiously happy. She is missed every day. I am so lucky to be surrounded by an abundance of love.

My brother, Andrew, has been married to his wife Judy for 25 years. They are an adventurous couple who loves to join in on our fun vacations and they are always up for a challenge. Andrew and Judy have two children, Samuel, 18 and Emma, 20. We truly enjoy spending time with them and they have always been exceptional role models for Buddy.

Rob's Family...

My parents, Barbara and Peter, have been happily married for over 50 years. They are the true definition of love and marriage.

My mom was a director of development at non-profit that helped under-served children. She is warm, and nurturing and such an engaged grandmother.

My dad was a public middle school vice principal. He is active, athletic and family oriented. They love being retired and being able to spend as much time with their grandchildren as possible.

My brother, Adam, has been married to Emily for 23 years. They have 4 amazing children, Nathan, 22, Sam, 19, Ellie, 17 and Asa, 14. Adam is a pediatrician. It comes in handy now that we are parents. He is very generous about fielding our calls about health questions! Buddy really loves being around all his cousins and learning from them at such a young age. They love to take him to the park and spend time with him as well.

We appreciate you taking the time to read our story and see the wonderful memories we have created. We have spent the last few years setting the stage to raise our family. We have amazing friends and family that we surround ourselves with daily.

Our home is full of love, joy and laughter. Above everything, our children are going to be raised in a nurturing environment where he or she will be cherished beyond compare. We have no expectations of our children, we want to support them to be whatever they want to be. Our only desire is that they be good and

kind people, and to care about the world and all its many inhabitants. We can provide a safe and stable upbringing filled with support and guidance. We will give this child every opportunity to grow up and be a successful and good person in life. We will always be there and make sure they know that their parents will support them in every decision they make in life. We admire your courage.

We are honored to be considered as adoptive parents and would love the opportunity to meet with you.

Warmest regards,
Eddie, Rob and Buddy
