

Dear Potential Birth Parents,

We are Caroline and Lino. We met online in 2012 and were married in 2015. I fell in love with Lino for his incredible loyalty. Lino fell in love with my kindhearted manner. We are madly in love with each other and extremely dedicated to our marriage. We have been together for 10 years and love every minute of our journey together.

We wanted to start a family to share in the wonderful life we have created. We have always wished to have children and while we cannot have a child naturally, this challenge has not diminished our desire to start a family. We have so much love to give and want to make our family complete by bringing a child into our hearts. From this moment on we made our decision to adopt...

"Love is patient and kind. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance".

Caroline...

Caroline has a successful career as a podiatrist. She takes pride in her work and enjoys the time with her patients and co-workers. Caroline is compassionate, loving, giving, and an excellent listener. She does anything and everything to make her family, friends, and patients feel happy and at peace.

Caroline has a sweet and sometimes silly sense of humor. She loves to host Sunday dinners at our house for family and friends. She is a fabulous cook! Our family is so important to us and their children love coming over to Uncle Lino and Aunt Caroline's house! She loves to travel and enjoys watching Yankee's baseball.

Her thoughtfulness, patience, and warmth will make her an excellent mom. She shares so much of herself with everyone in her life. I have always known Caroline to be a kind and caring person who lives life to the fullest.

Lino...

I am so lucky to have a man like Lino in my life. He is a dedicated, hard worker. Lino has a successful career as an attorney and has always been a provider. It is extremely important to him to make sure his family is safe and stable. I am so lucky to have a husband like Lino.

Lino is fun and loves to make people laugh. He tells jokes and the kids in our life love to be around him. He always puts family first and is willing to lend a helping hand to a friend or neighbor in need. He loves watching sports and cannot wait to share these moments with a child.

I greatly admire Lino's unselfish and loving nature, and I am so proud to have him in my life. I cannot wait to begin the journey of parenthood with him. I know he will be an incredible dad.

Caroline's Family...

My parents, Jo-Anne and Vito, were happily married for many years. They taught me the true meaning of love and marriage. They were extremely loyal to one another. They taught my sister and I to be honest and have empathy towards others. They were such amazing people and I miss them every day.

My sister, Emily, is my best friend. She has been such a special person to me my entire life and I am so happy with the relationship we have as adults. She is married to Nell and together they have one daughter, MaryJo, 6. She is loving and outgoing. She is the sweetest girl and will be the best big cousin!

Lino's Family...

My parents, Guiseppe and Teresa, have been married for 51 years. Their dedication to one another and their family is truly amazing.

My parents instilled within me faith, a strong work ethic and the value of an education, all of which helped me pursue my dreams. They are wonderful grandparents who would go above and beyond for their granddaughter. I know they will do the same for our child.

I am so lucky to share such a special bond with my brother, David. He has always been there for me and I can count on him for anything. David is married to Lisa. They have one beautiful daughter, Isla, 13. Isla is smart, attentive, and funny. She loves to laugh and bring a smile to all of our faces. I know she will love this baby and be the greatest cousin!

We hope that in reading this letter and looking at the special times that we have shared that you have some sense of who we are. We know that if we are fortunate enough to adopt, this child will be so loved because we are two generous, kind-hearted, responsible people who have so much to give. We promise to raise this baby to love others, be kind and compassionate, and always be willing to help others in need.

Our home is filled with family and laughter. We will protect and guide this baby into childhood and adulthood. We are excited about this new phase in our journey together and look forward to bringing a child into our lives. We are honored to be considered as adoptive parents and we would love the opportunity to meet with you.

Warmest regards,
Caroline and Lino
