

Dear Potential Birth Parents...

We are Rebecca and Michael. We truly are each other's best friends and live life happily together. We met 12 years ago and we spent many years learning about one another and have been happily married for over 6 years. We share so many of the same beliefs, passions, and dreams and look forward to raising our family with these values.

It was our greatest wish to start a family to share in our love and the wonderful life that we have built together. Our wish came true when we had our daughter, Mackenzie. She has changed our lives in so many ways. We truly love being parents and cannot wait to adopt a child and also watch Mackenzie become a big sister! We have learned so much about adoption and realized what matters most is having children in our lives no matter how they come to us. We are so excited to embark on this journey.

"Life is a journey with problems to solve and lessons to learn but most of all experiences to enjoy"

### *Rebecca...*

My wife, Rebecca, is a beautiful person in every sense of the word. She is a selfless person who always puts others' needs above her own. Rebecca is a Healthcare Administrator. She loves being able to separate work from home and enjoys spending as much time with Mackenzie as she can. She is a hands-on mom and looks forward to being home and raising two children.

Rebecca and I love spending time outdoors, whether on the mountain skiing or taking Mackenzie to the playground. She is extremely family-oriented. Our nieces and nephews love to come over to play and be with their cousin.

Rebecca is my best friend and a caring partner who is a loving and devoted mother. Having another child and expanding our family is what she desires most in life. She is a wonderful mom.

*Michael...*

Michael is the most amazing man. He is kind and sincere in all that he does. Michael is a real estate project manager. I have always known him to be a dedicated, hard worker. He has a calm demeanor that makes everyone feel warm and welcomed.

Michael is a supportive partner and a fun-loving person. Michael and I spend so much of our time traveling to different places and experiencing new cultures. He really enjoys fishing and playing golf. Our nieces and nephews love to be around him. He is everyone's best friend.

Our family's growth has brought a new light to Michael's eyes. He loves spending time with Mackenzie, playing at the park, or going on long hikes. I know a new baby will make our family complete and we look forward to continuing our traditions and creating new memories.

*Mackenzie...*

Our daughter, Mackenzie, is a bright, playful, and goofy 3-year-old girl. She loves to play with magentiles, dress up and go to the park. She has an extremely active imagination and loves to talk to everyone. She is going to be the best big sister!

## Rebecca's Family...

My parents, Jim and Diane, have been happily married for 39 years. Together they taught me the value of marriage and love. My mom is loving, nurturing and always there for me when I need her. She has a successful career as a nurse. She is always ready and willing to help in any way she can. My dad is funny and a great listener. He takes pride in his work as a teacher.

Having another grandchild is going to bring them so much joy. I know how much they love children and how excited they are to watch the next generation grow.

I am so lucky to have my sisters and brother in my life. We have always had such a close bond. We love spending time together during the holidays and for family birthdays. Bethany, James, and Raychel are my best friends. Bethany has two children, Penelope, 4 and Miles, 1. Mackenzie loves spending time with them and we adore their bond.

## Michael's Family...

My mom and dad have been married for 48 years. They are phenomenal parents and love being grandparents.

My mom, Donna, is a guidance counselor. She is a warm and loving person. My dad, Steve, is a teacher. He is adventurous and stays active. My parents live close by and we see them often. I truly appreciate the unconditional love and support that I always receive from them both. They give so much of themselves to their family. They are amazing grandparents and cannot wait to watch our family grow.

My brother, Kevin, is one of my best friends. He is married to Amanda and together they have two children, Maddie, 7 and Cece, 4. We enjoy coming together for family barbecues and vacations. The girls love playing dress-up together and it brings us pure joy to watch them grow up together.

We hope in reading this letter and looking at the special times that we have shared that you have some sense of who we are. We would be so blessed to be chosen as adoptive parents. We promise to provide a loving and supportive home, a place to grow, learn, love, and be loved. He or she will be guided to blossom into their own unique person, celebrate their given talents, and pursue what brings them joy.

Our home is a place of comfort, where a warm hug will always be waiting. The things that matter the most -- unconditional love, encouragement, support, respect, and trust -- are what our marriage is built on and our family will grow with the same ideals.

We are excited about this new phase in our journey together and look forward to bringing another child into our lives. We are honored to be considered as adoptive parents and we would love the opportunity to meet with you.

Warmest regards,  
Rebecca and Michael
