

TIFFANY

HELLO!

I AM

TIFFANY

FROM

NORTHERN CALIFORNIA

THANK YOU FOR
TAKING THE TIME

TO GET TO KNOW ME!

THANK YOU FOR TAKING
THE TIME TO LEARN A
LITTLE ABOUT ME AND
FOR CONSIDERING ME
TO RAISE YOUR CHILD.

Through this profile,
I hope you get a feel
for my warm and
loving nature, and
feel assured that my
home will be full of
laughter, patience,
support, and
most importantly,

unconditional love for your child. I hope that you feel
supported and loved on your journey.

**Adoption is an incredible exchange of trust and I
will always hold this in my heart.** No matter what,
you will always be an integral part of your child's life. I
want your child to grow up knowing their story, where
they came from and having an understanding and
appreciation for you and the choice you are making for
them.

**If chosen, your child will be adored beyond words
and I will devote my life to providing them with all
the love, security, and joy I can offer.** Thank you
again for considering me. From the bottom of my heart, I
wish you all the strength and courage to make the choice
for your child that feels best.

WHY ADOPTION?

I was in a long-term relationship for many years. When we decided to start a family, I was diagnosed with infertility and learned I would never be able to have a biological child. I knew I still wanted to be a parent. He did not. So, I started on my journey to adopt as a single parent. While we are no longer together, **we remain close friends and he is very supportive of my decision to adopt.**

I AM SO EXCITED TO PROCEED

YOUR CHILD WILL
ALWAYS KNOW
AND UNDERSTAND
THAT THEY HAVE
TWO FAMILIES

WHOM SHARE A DEEP
BOND OVER THEIR LOVE
OF HIM OR HER.

FOR ME, LIFE
IS ABOUT
EXPERIENCES,
NOT POSSESSIONS.

EVERY TIME I GO
SOMEWHERE OR DO
SOMETHING NEW I LEARN
ABOUT THE WORLD,
PEOPLE AND MYSELF.

A GLIMPSE INTO MY LIFE

Go Warriors!

I've been to 21 countries (and counting!) and even spent 2 years teaching at an international school in Madrid, Spain.

Traveling, music, and sports are a big part of my life but I also love having downtime to read, bake and relax at home. I'm generally as excited to binge something on Netflix as I am to go to a concert

I'VE HAD MANY INCREDIBLE EXPERIENCES
AND AM LOOKING FORWARD TO SHARING NEW
EXPERIENCES WITH A CHILD, WATCHING HOW
THEY LEARN AND GROW ALONG THE WAY.

I love my students!

I AM A TEACHER

AND HAVE A MASTER'S
DEGREE IN EDUCATION.

As such, education is extremely important to me and I will ensure your child is given the best education inside and outside of the classroom. After many years of teaching middle and high school science, I now mentor teachers and help them improve their teaching. While I miss being in the classroom and with kids everyday, I like knowing that my work is making an even bigger impact.

I ALSO APPRECIATE
BEING ABLE TO
WORK FROM HOME

in addition to
having long
holiday breaks
and summers
off. My career is
perfect for family life and will allow me to
enjoy lots of time at home with a child.

I love everything about Fall!

I'm a big Buckeyes fan!

MY HOME

AND COMMUNITY

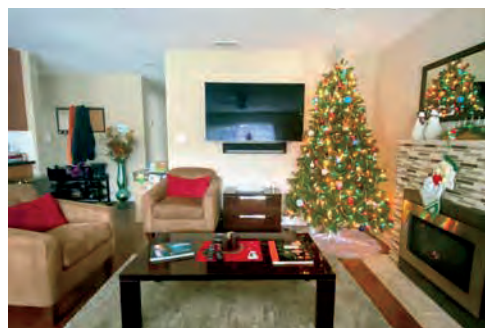

At a local petting farm with my nephew

My home has three bedrooms, two bathrooms, and a backyard that is a child's dream! There's plenty of space to kick a ball, play a game of tag or have an overnight backyard camping experience.

The neighborhood is extremely diverse and family-friendly.

There's an elementary school, a park with an awesome playground, a weekly farmers market, and a downtown street with shops and

restaurants, all within walking distance. The neighbors on my street throw a 4th of July Block Party (with fireworks!) and Halloween party every year.

We are a Buckeye family!

IN ADDITION TO MY FAMILY,

I have a fantastic group of friends! We enjoy spending time together going out to dinners, attending special events and spending summer afternoons at the pool. We especially love our annual Turducken holiday party.

Most of my friends are parents themselves and they are so excited to be a part of my journey as a parent.

THERE IS NOTHING MORE IMPORTANT TO ME THAN FAMILY.

I come from a tight knit family. I have many childhood memories including growing up with my two younger brothers, riding our bikes all over the neighborhood, family vacations, baking with my mom, and playing softball with my dad.

I also grew up with many fun holiday traditions including hunting for Easter eggs on

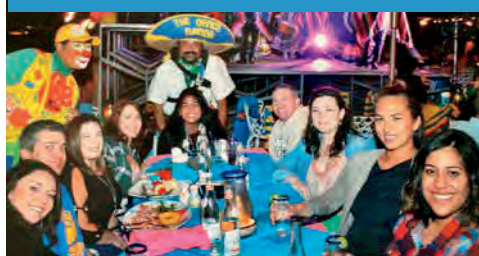

Easter morning and getting new pajamas on Christmas Eve. Today, my family all live within about a half hour from where I live so I see them very frequently. **We especially enjoy weekly family dinners, game nights, and holidays.**
