Hello!

SO NICE TO MEET YOU!

We are Anthony & Diogenes. We met 10 years ago online and have been happily married for 5 years. Our relationship grew year after year. We are each others best friend, our connection and love is strong and vibrant, above all, love respect and compassion for one another always, we face life together and tackle on challenges and celebrate our triumphs, with our love in our hearts and minds.

Dear Potential Birth Parents,

One thing we have shared since the beginning of our relationship was our desire to have children. It is our greatest wish to start a family to share in our love and wonderful life we have built together. We are at a place in our lives where we have the resources, the love and support from family and friends, and the eagerness to be parents. We are excited to continue our adoption journey....

He enjoys watching scary movies and playing video games. Between his completely genuine and selfless actions and watching him with our nieces and nephews, it leave no doubt in my mind that he will be an excellent father.

Diogenes

Dio is determined and a hard worker as well as being loving, caring and encouraging partner. He works as a Billing Manager for a bank. He is the most genuine man I know and puts others needs above his own. When it comes to family, no favor is too big or small.

He would go to the ends of the earth to help a family member, and will always make time to be a supportive brother and son. Dio loves to cook and entertain our family for Sunday dinners.

He is funny and enjoys hosting and making everyone laugh and feel right at home in our house. Dio has been to many places in the world. He loves to travel and enjoys other cultures.

Above all else, he wants nothing more in the world than to be a father and having a family of his own. I fully believe he will be a wonderful role model and dad to our child.

We have 2 dogs which we love so much, they both bring amazing joy to both of us and our families. Our dogs are precious, they are loving, smart and love to be around our family and friends.

They don't bark often, only when it is food time or they want a walk.

Our Home & Community

We live in the outskirts of New York City, it's a suburban area that is quiet and peaceful from the hustle and bustle of New York. We love it here, we have been living here for 7 years and we are blessed to have amazing neighbors who truly care for us. We have a big nature park nearby with a nice river that is relaxing to walk by. Both of our families are close by where we can drive to easily and spend some quality time with the family and our friends.

Our Promise

We can provide a safe and stable upbringing filled with support and guidance. We will give this child every opportunity to grow up and be a successful and good person in life. We will always be there and make sure they know that their parents will support them in every decision they make in life. We admire your courage. We are honored to be considered as adoptive parents and would love the opportunity to meet with you.

Warmest regards,
Anthony & Diogenes
