

Claudia and Larry

Dear Potential Birth Parents,

We are Claudia and Larry. We met 12 years ago and became great friends. That friendship grew stronger and our love story began. We have been happily married for 9 years. Our personalities compliment and balance each other well. We are constantly learning from each other and building a stronger bond through the moments that we share. We have both become better people for it.

We are surrounded by wonderful family members and amazing friends. They have been there throughout the years for guidance and support. Having children has always been something we envisioned for our lives together. We believe that building our family through adoption is part of our destined plan.

"Being deeply loved by someone gives you strength, while loving someone deeply gives you courage".

Claudia...

My wife, Claudia, is the most kind, loving, and caring person I know. Putting others needs above her own is what I admire most about her. She is an incredible woman and everyone's friend. She loves to laugh and make people laugh. Claudia works hard in customer service. She loves her job but looks forward to spending time at home with her family.

Claudia loves dancing and listening to music. She is extremely outgoing and enjoys being social with her family and close friends. She is athletic and enjoys exercising outdoors. She is an avid piano player and is looking forward to sharing her love of music with a child.

Claudia is an exceptional person, she is the love of my life. Claudia's thoughtfulness, patience, and warmth is going to make her an amazing mother. I cannot wait for this next phase in our lives.

Larry...

My husband, Larry, is a wonderful man. He has a successful career as a public administrator. I have always known him to be a dedicated, hard worker. He has an energy about him that makes him so special and unique.

Larry is an outdoors-man who loves to ride his motorcycle, swim and go mountain bike riding. In his spare time he enjoys travel and sightseeing. He is a great navigator and leads the way to fun adventures while on vacation. What he enjoys the most is taking his niece along for the ride. She looks up to him and they enjoy spending time together.

Larry loves being around his family and friends. He is very sociable and gets along with everyone. I am so lucky to have him in my life and I cannot wait to raise a child with him. He is going to be an amazing father.

Claudia's Family...

My parents, Sergio and Patricia, have been happily married for 45 years. They are the true definition of love and marriage. My dad, is in the restaurant business and my mom is a caregiver. Both are hard working people who love and care for each other and their families. They have been my role models and always set a good example for me to follow. I am an only child who was raised with love and taught good values and to respect others. They cannot wait to be grandparents!

Larry's Family...

My parents, Richard and Dorothy, have been together for 18 years. Unfortunately, my mother passed away 23 years ago. Dorothy has always been an incredible mother figure and showed me so much love growing up. They are both in their 80's and still work together in real estate. They are wonderful grandparents and look forward to having another child in the family.

My sister, Linda, is truly one of my best friends. She is so kind and loving. She teaches English as a second language to adults and is very intelligent. Her daughter, Noa, is 9 years old. She is sweet and we love spending time together. My father always taught us to be good people and instilled strong moral values while we were young. My family supports me in every way and they are so excited for Claudia and I to have a baby of our own.

We hope that in reading this letter and looking at the special times that we have shared, that you have some sense of who we are, and what a wonderful relationship we have. We know that if we are fortunate to adopt, we will love this baby unconditionally.

We live in a wonderful community and have a lot of children in our neighborhood. The schools are excellent and there are many local parks for children to enjoy. Our family and friends live nearby and they are all looking forward to being an additional support system.

It is our intention to express to you that our marriage is based on trust, love, support, encouragement, and honesty. Our family will grow with these same values.

We are excited about this new phase in our journey together and look forward to bringing a child into our home. We are honored to be considered as adoptive parents and would love the opportunity to meet with you.

Warmest regards,
Claudia and Larry
