We wanted to start a family but are unable to concieve on our own. We then immediately knew that we wanted to adopt! This is the most admirable and selfless thing that you could do. We wish you many blessings on your decision ahead! We enjoy doing anything outdoors, hiking camping and traveling. We can't wait to be a Mom and Dad! Thank you for taking the time to learn about us!

HOW WE MET

We met ten years ago on a blind date and instantly knew that it was meant to be! We dated for a year then got engaged. We were married in a church with all of our friends and family there. After getting married we immediately wanted to start a family. We are so excited to finally begin our adventure into parenthood! We have two dogs Bailey and Bo that are best buddies. They keep each other company and love to play together. We both have a huge love for all animals. We enjoy having barbecues, swimming in our pool and traveling! Going out to eat and trying new foods is something we also like to do. We are always laughing and having fun, dance moves happen often in our house!

★ ABBY

Abby loves to be outside. Nature is the best place to be. She loves doing outdoor activities and traveling to new places. She works as a manager at a restaraunt. She is also a licensed esthetician in skin care! Playing with the dogs and going for walks is something she enjoys in her free time. She loves to exercise and garden. She also likes to read books and has a wonderful family!

Abby's parents are both retired school teachers. Her mom still substitutes because she loves the children so much. Her Dad also does real estate. Joe's Dad is retired and his mom does medical billing. Our parents are so excited to add to the family. Abby has a brother and two nephews. Joe has a sister. Our family gets together for holidays and birthdays every year. They live close by so we will have lots of help with our little one.

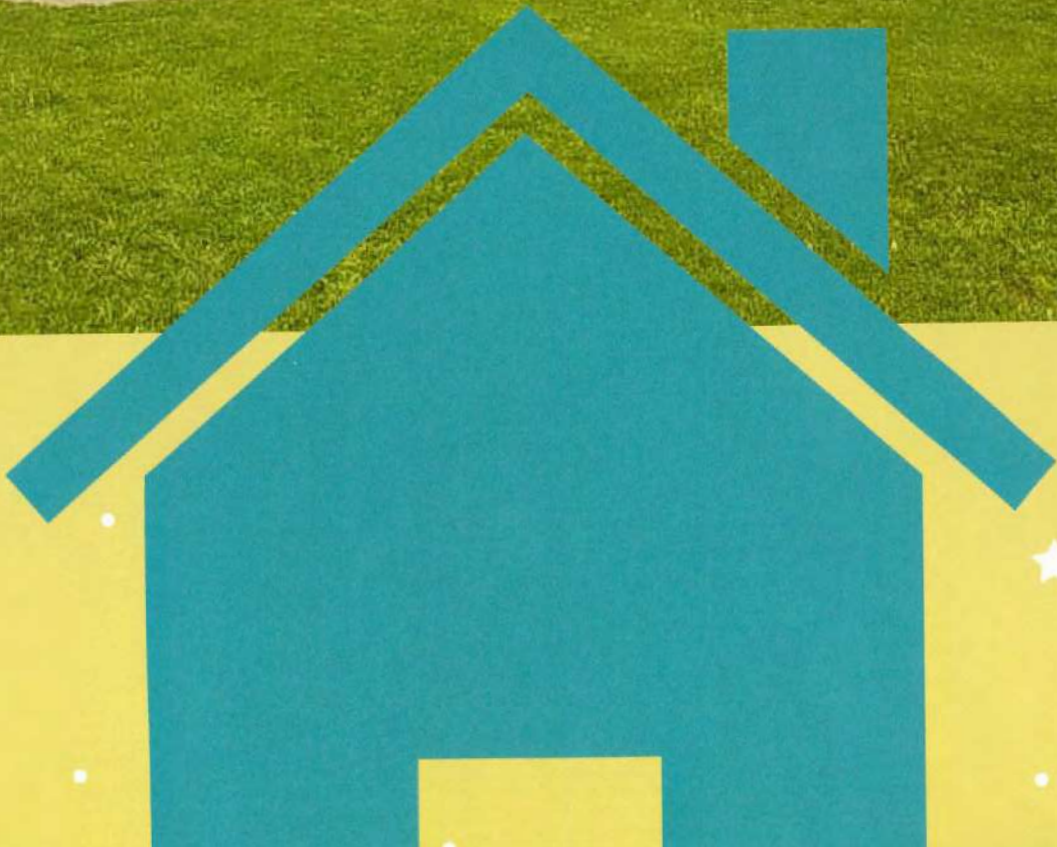

family

Celebrating holidays is very important to us. We love getting dressed up, giving out gifts and helping others. We love to go look at Christmas lights and bake cookies and desserts. For Halloween we get dressed up and hand out candy to all the trick or treaters. Our neighborhood is one of the most popular in town. We have over 200 every year! We can't wait to dress our child up and create fun memories together as a family

We love an adventure! We go on a couple of trips every year. We are eventually going to get a camper so we can travel anywhere we like. We love going to the lake, Gatlinburg, and the beach when we can. We go to a pumpkin patch and the zoo every year as well.

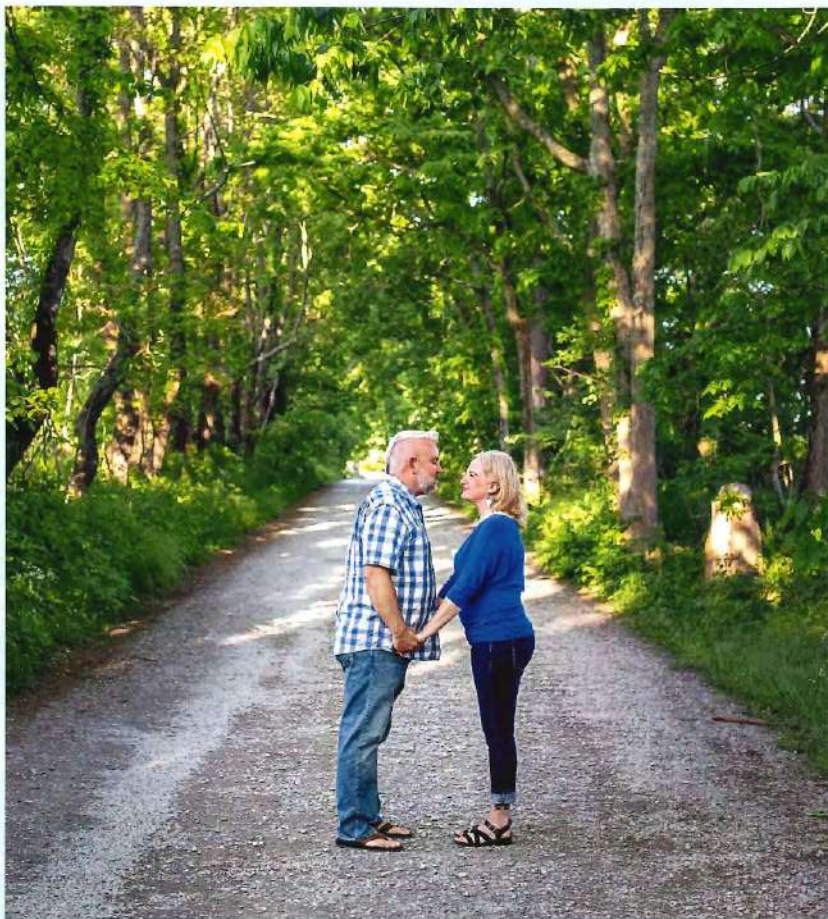

Our promise to you...

We promise to love your child unconditionally. We are open minded, kind hearted and loving people. Adding a second family and doubling the amount of love this child will receive will be incredible. Family is the greatest gift, nothing in the world is more important. Thank you so much for taking the time to read about us. We hope to hear from you soon!

Joe and Abby
