*Welcome to our family!*

I'm Allen, my loving wife, Madison and our three wonderful children - Wesley, Clara, and Evelyn. Our hearts are filled with love and joy, and we are excited to share our story with you. As a family, we are united by our faith, our passion for life, and our calling to adopt a baby into our family. We believe that every child is a precious gift and we are committed to providing a nurturing, loving, and supportive home for our children and any future additions through adoption. We invite you to get to know us better as we share our story, values, and traditions that make our family unique.

## About Madison

Hi there! I'm Madison, and I've always had a dream of being a stay-at-home mom with a house full of little ones. I feel incredibly grateful that this dream has come true for me. I currently stay home and homeschool our three amazing children, and we are hoping to add a fourth baby to our family through adoption.

One of my absolute favorite things in the world is just being with my husband and kids. Whether we're at home watching a movie, playing in the yard, or traveling together, we cherish our family time and the special bond we share. As a family, we love spending quality time together, creating precious memories, and building a strong foundation of love and togetherness.

# *I'm Allen*

I'm Allen. As a worship pastor at our church, I am passionate about serving the Lord and my family. I find joy in spending time with my wife and children, and I have a deep love for outdoor activities like golfing, hunting, and fishing.

The love for my wife extends beyond words and gestures. I truly appreciate her and value her role as a wife and mother. I recognize and celebrate her strengths, and I encourage her to pursue her passions and dreams. I take an active role in sharing the responsibilities of raising our children and creating a loving, nurturing home for our family.

# Clara & Evelyn

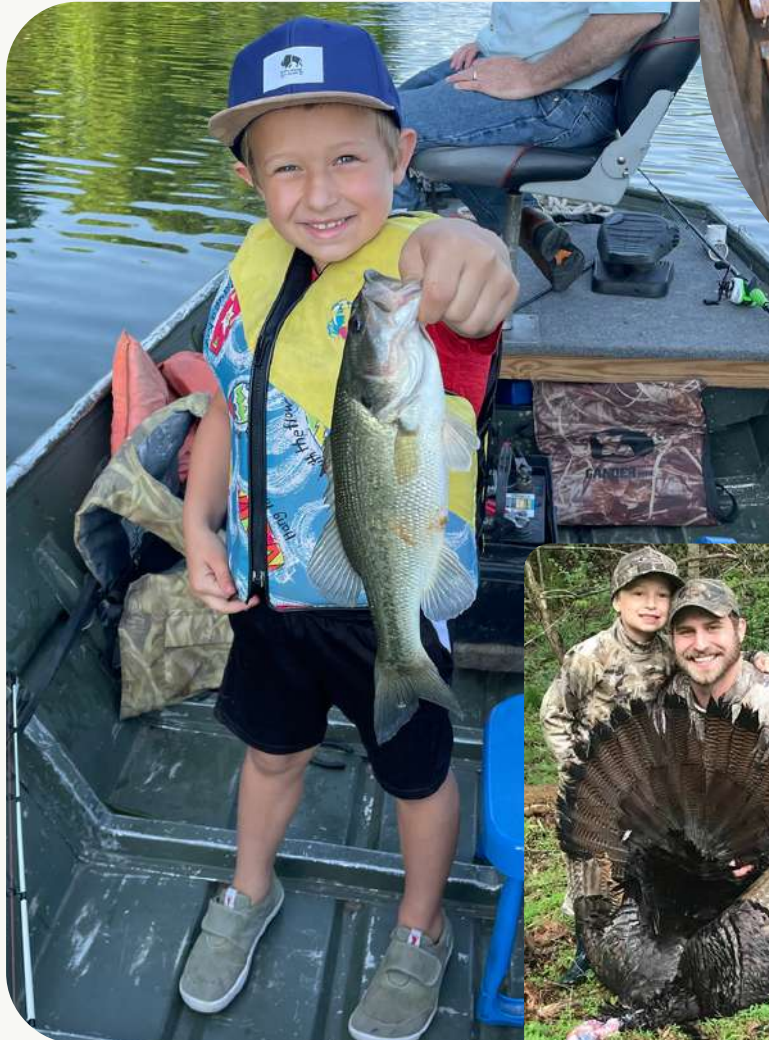

Clara will be turning 6 in May, is a strong-willed and spunky little girl. She is both a girly girl who loves makeup, nail polish, and getting dressed up, and a tomboy who enjoys hunting with her daddy and wrestling with her brother. Clara also has a passion for singing and is currently taking voice lessons. She loves horses and tumbling, and she enjoys playing outside with her siblings.

Evelyn is our youngest at 3 years old, and she is a little cuddly bug. She is silly and sweet, and has a mischievous side as she loves to be sneaky and get into things. Despite her small size, Evelyn is determined and often thinks she's just as capable as her older siblings in everything they do.

# Wesley

Wesley, our oldest, is 8 years old and always brings cheer and happiness wherever he goes. He loves making people laugh and has an endless supply of energy. Wesley is enthusiastic about all sports, especially jiu jitsu, hunting, fishing, and exploring the outdoors. He has a big heart and is always caring for others.

## *Our Family*

As a family, we also love to travel and explore the beauty of nature. National parks, ski trips, and beach outings are some of our favorite adventures. We also cherish our family traditions, such as monthly "stay up nights" where each child gets to stay up an hour or two later with just mom and dad, and they get to pick the activities as long as screens are not involved.

One of our passions is outdoor activities like golfing, hunting, and fishing. We have a deep love for nature and enjoy teaching our children about the beauty of the great outdoors. We often go on hikes, camping trips, or fishing expeditions as a family, reveling in the wonders of nature and appreciating the blessings of the world around us.

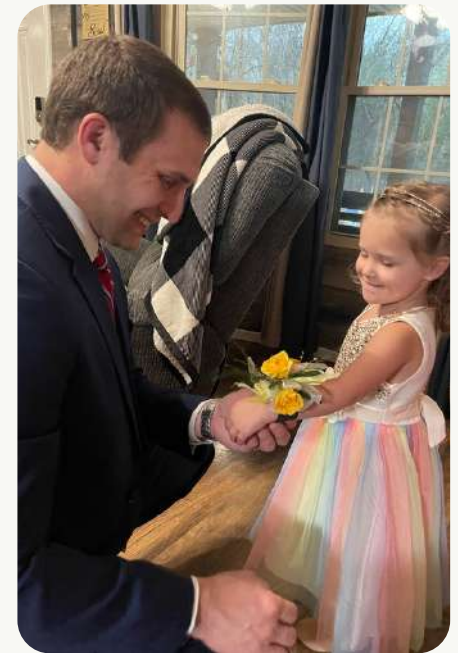

Another cherished tradition is our birthday celebrations, where the siblings help decorate the birthday kid's door with streamers, fill the hallway with balloons, and hang up a number birthday balloon in the hallway.

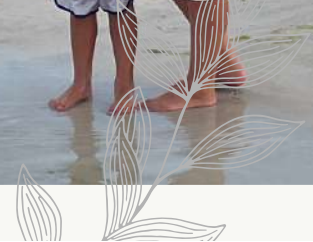

We also enjoy other pastimes that bring us closer together as a family, such as cooking and baking, playing board games, and simply spending quality time at home, snuggled up for a movie night or engaged in meaningful conversations. We treasure these moments as a family, as they reinforce the strong bond and love we have for each other.

## *Family*

As a family, we find immense joy in spending time together. We believe that quality family time is invaluable, and we make it a priority to create meaningful memories through shared experiences. Whether it's exploring the great outdoors, embarking on a camping trip, or simply enjoying a day at the park, we love being active and creating cherished moments as a family.

We eagerly anticipate expanding our family through adoption, we look forward to sharing our love for outdoor adventures and cherished family time with our newest addition. We can't wait to embark on new adventures, create precious memories, and continue building a loving, supportive, and joyful family together.
