about us

HOW WE MET

Grant and Haley were first introduced to each other in high school during an ACT test. Haley's brother, Brady and Grant had a calculus class together and they all three took the ACT the same day. Grant and Haley also served on Student Leadership Council together, but it was after the ACT that Grant knew he needed to become better friends with Brady so he could get to know Haley better. Haley was on the cheerleading squad and Grant was the president of Student Leadership Council. Haley found herself talking with Grant one day about missing Student Council due to a cheerleading event that couldn't be missed and well I guess we never stopped talking from there. We started dating about a month later and then Grant went off to college. The following year I also went to college and we stayed together all throughout college. It was my senior year in college that Grant proposed and the year of the pandemic that we said our vows and married one another. Together we love spending time with friends and family and serving others in any way we can. Who knew so much love could come from one ACT test?

HOW GRANT THINKS OF HALEY

Haley is my partner in life. I love her very much, I feel that she is one of the most generous, caring, loving, and thoughtful people I know. She makes me a better person and continually motivates me through our life. Haley is always willing to lend a helping hand. More than my wife, Haley is my best friend and the strongest person I know. I feel very fortunate to be married to her and have her in my life. My wish for her is to have the opportunity to be a mother. There is no doubt she will be a great mother and that we will make an outstanding team as parents.

HOW HALEY THINKS OF GRANT

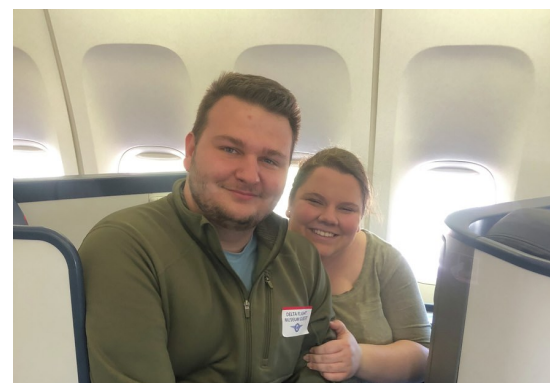

Grant is a wonderful husband and partner. We work, talk, and laugh together daily. He is my rock and he never ceases to amaze me. He's compassionate yet strong. He's loyal and honest. I know he will make an awesome dad. He is always there to support me and love me. We always strive to fulfill each other's needs. I love this man and can't imagine my life without him. The bond we share is truly a gift and one that cannot be broken.

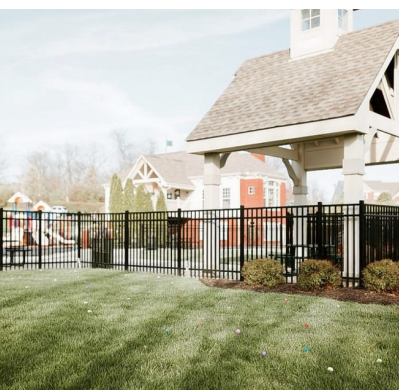

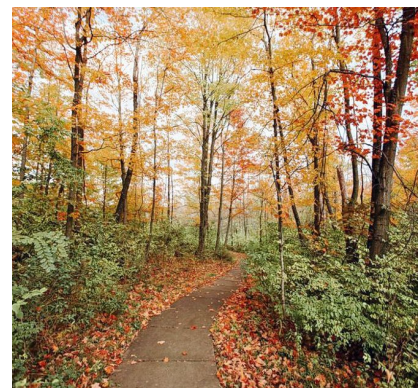

Adventures

Together we love to see and experience new places, people, and foods! We appreciate the beauty of world around us, and try to soak in as much as we can each year, whether it's around our home or a far off destination. Our favorite places we have had the opportunity to go to are Texas, Gatlinburg, and Atlanta. Grant has also been to Haiti twice on a mission trip and served at a local orphanage to show them the love of Christ.

OUR *home* AND NEIGHBORHOOD

We live in a family oriented neighborhood, with pools, a park, walking trails, and tennis courts. Our home is a two story and has 5 big bedrooms. Our favorite place in our house is our large family room because it is set up for family fun! We enjoy watching Sunday night football with our family and friends together on our big couch.

Our Interests

In our free time we like to bake, work on home projects and go to the movie theater. Haley has recently started complex cookie decorating and Grant just finished up his biggest home improvement project yet, the basement.
