"I fell in love with Jennifer because of the love that she shows to me daily, to our family and her friends. She loves spending time as a family and makes sure to plan a lot of family time. Jennifer loves that she has the opportunity to raise our family at home. I love watching her care for her daycare children, as we run a Childcare and Learning Center together. AMAZING DAD!”

Francisco
in Jennifer's words

"I fell in love with Francisco when I watched him play basketball in High School. He encouraged all his teammates to play hard and do their best. I knew that I wanted a man like that to raise my children to always do their best! I love the way he cares for us, he always looks out for us to be happy. I love the way that we can balance each other. The love and support he gives our children makes me fall in love with him each day. He helps coach our son's soccer team and takes the girls to track & field. Our kids are lucky to have him as a dad. Francisco has a fun and loving approach to life, and we can't stop smiling and laughing when we are with him. He is also a little boy at heart. He is very personable and gets along with just about everybody!"

THIS IS WHERE
we call home

We live in a suburban town in New England. Being in New England we get to experience each of the four seasons every year. We are close to several major cities which means our community is home to people all over the world. It has been great to meet neighbors and friends who are from a variety of countries and backgrounds. Our town has events throughout the year including an ice cream social, movie nights, and hot cocoa with Santa. Our home is two stories and has plenty of space. It is a three-bedroom home with a finished basement that is close to schools, parks, church, and family. We have a large backyard that is full of kids' toys. We love hosting holidays at our home, friends and family are always welcome.

We have two English Bull Terrier dogs. We welcomed Luly our Bull Terrier into our family in December 2016. She is a very lovable dog and she is always happy. We added Bruno to our family in July 2022. Bruno is very lovable as well and he is the most energetic dog of the two.

A LITTLE BIT
ABOUT OUR

family traditions

In this family, we love holidays! We host all holidays at our home. While we adore most holidays, Three Kings Day and Christmas Day are our favorites. Every Christmas we decorate the house with lights and hang ornaments on the tree together. We love being with our extended families for the holidays, always staying up late on Christmas Eve while eating good food and laughing together.

Three Kings Eve night our children fill their shoe boxes with grass and place them under their bed to wake up in the morning with a little gift. On Easter, all our nephews and nieces come to our home to decorate eggs and finally enjoy an Easter egg hunt in our backyard with eggs filled with surprises. On Thanksgiving, our families join us for a family potluck dinner. We are excited to have our new baby join these holiday traditions with us! We love being together and making special memories as a family. We enjoy traveling and camping, and can't wait to take trips with the baby from a road trip to New York to a cross-country flight to Punta Cana, DR. We visit Disney World almost every year and it has become our family's most visited vacationing spot.

ABOUT OUR *family*

MOST OF OUR FAMILY LIVES WITHIN A SHORT DRIVE OF OUR HOME AND THEY PLAY AN IMPORTANT PART IN OUR LIVES. WE ARE WITH THEM OFTEN AND LOVE CELEBRATING BIRTHDAYS AND HOLIDAYS TOGETHER. WE ALSO HAVE VERY CLOSE EXTENDED FAMILY IN PUERTO RICO. THE DISTANCE GIVES US AN EXCUSE TO TRAVEL AND HAVE NEW ADVENTURES. EVERYONE HAS BEEN SO SUPPORTIVE AND EXCITED ABOUT OUR PLANS TO ADOPT. THIS BABY WILL BE LOVED DEEPLY BY ALL OF OUR FAMILY AND FRIENDS

La Familia Lo Es TODO...

Thank you

FOR GETTING TO KNOW US

It is our prayer that God will use us to bless a mother who is brave enough to choose adoption for her child and to share that gift of life with us. We are ready and willing to discuss a level of ongoing openness that honors you in the future. We view adoption as a way to grow our family through love, and we plan to respect everyone involved in this child's life. We know that the adoption decision is one made out of deep love and we will always do our best to make sure that your child knows how greatly they are loved by you from the very beginning.
