Hello!

Thank you so much for giving us the opportunity to introduce ourselves. We don't know how you're feeling or what you're going through, but we are so thankful that your love for this child has led you to choose adoption. This could not have been an easy decision to make, and we admire your bravery. When we pray for our future child and our son Gabriel's future sibling, we also pray for you. We pray that you will have peace throughout the adoption process, that we will develop a special relationship with you, and that the future will be filled with wonderful memories and blessings for all of us! We want you to know that if you choose us to raise your child, we are ready and excited to pour out every bit of love in our hearts as parents.

Our Story

We have been married for 8 years and have one precious child, Gabriel, whom we adopted in 2021. He is now 3 years old, and we are ready and excited to grow our family again! We are not able to have children on our own, but God has called us to adopt. Our hearts are open and ready to love the children He places in our life. We live in a beautiful home with a large backyard in a loving community, and we can't wait to share it all with another child!

About Me

I grew up in West Virginia, but I've lived in Tennessee for the last 13 years. I work for a non-profit organization that serves widows and orphans around the world. I'm also the Worship Minister for my church and have been a musician and songwriter for most of my life. Here are a few other things to know about me:

- I love to sing and write songs.
- I have one brother who lives in South Carolina with his wife and son.
- My whole family lives in West Virginia, including my parents, who have been together since the third grade!

“Matthew is such a kind, talented, hard-working man. He makes us laugh and makes us feel safe. He is a wonderful husband and an incredible father. I know he is so excited to welcome another child to our family.”

Allison

About Me

I was born and raised in Tennessee. Most of my family still lives here. Spending time with friends, family, neighbors, and my church family is very important to me. I also love to meet new people! I love being a stay-at-home mommy to Gabriel and I can't wait to have another child to love and care for every day. Here are a few other things to know about me:

- I love old movies, Motown music, and puzzles.
- My favorite season is Winter because I absolutely LOVE snow!
- I write silly songs to sing with Gabriel and I enjoy finding fun activities we can do together.

“Allison is truly the kindest person I've ever met. She cares for others so deeply and knows how to make everyone feel loved. She is beautiful inside and out, and being a mom has made her even more beautiful!”

Gabriel

About Gabriel

Our sweet little boy was born in 2021, and we adopted him at birth. He is gentle and kind and so friendly with everyone he meets. He tells everyone he loves them and will frequently ask strangers if he can give them a hug. Needless to say, he's going to be a wonderful big brother. Here are a few other facts about Gabriel:

- He loves music, everything from Ray Charles to the Wiggles!
- He loves exploring our back yard and riding his bike.
- He is biracial (his birth mom is white and birth dad is black).
- We have an open adoption with his birth parents.

Gabriel is so excited to be a big brother! We have already cleaned out our spare bedroom, and he calls it “the baby’s room.” He talks often about a new baby coming to our family.

Our Home

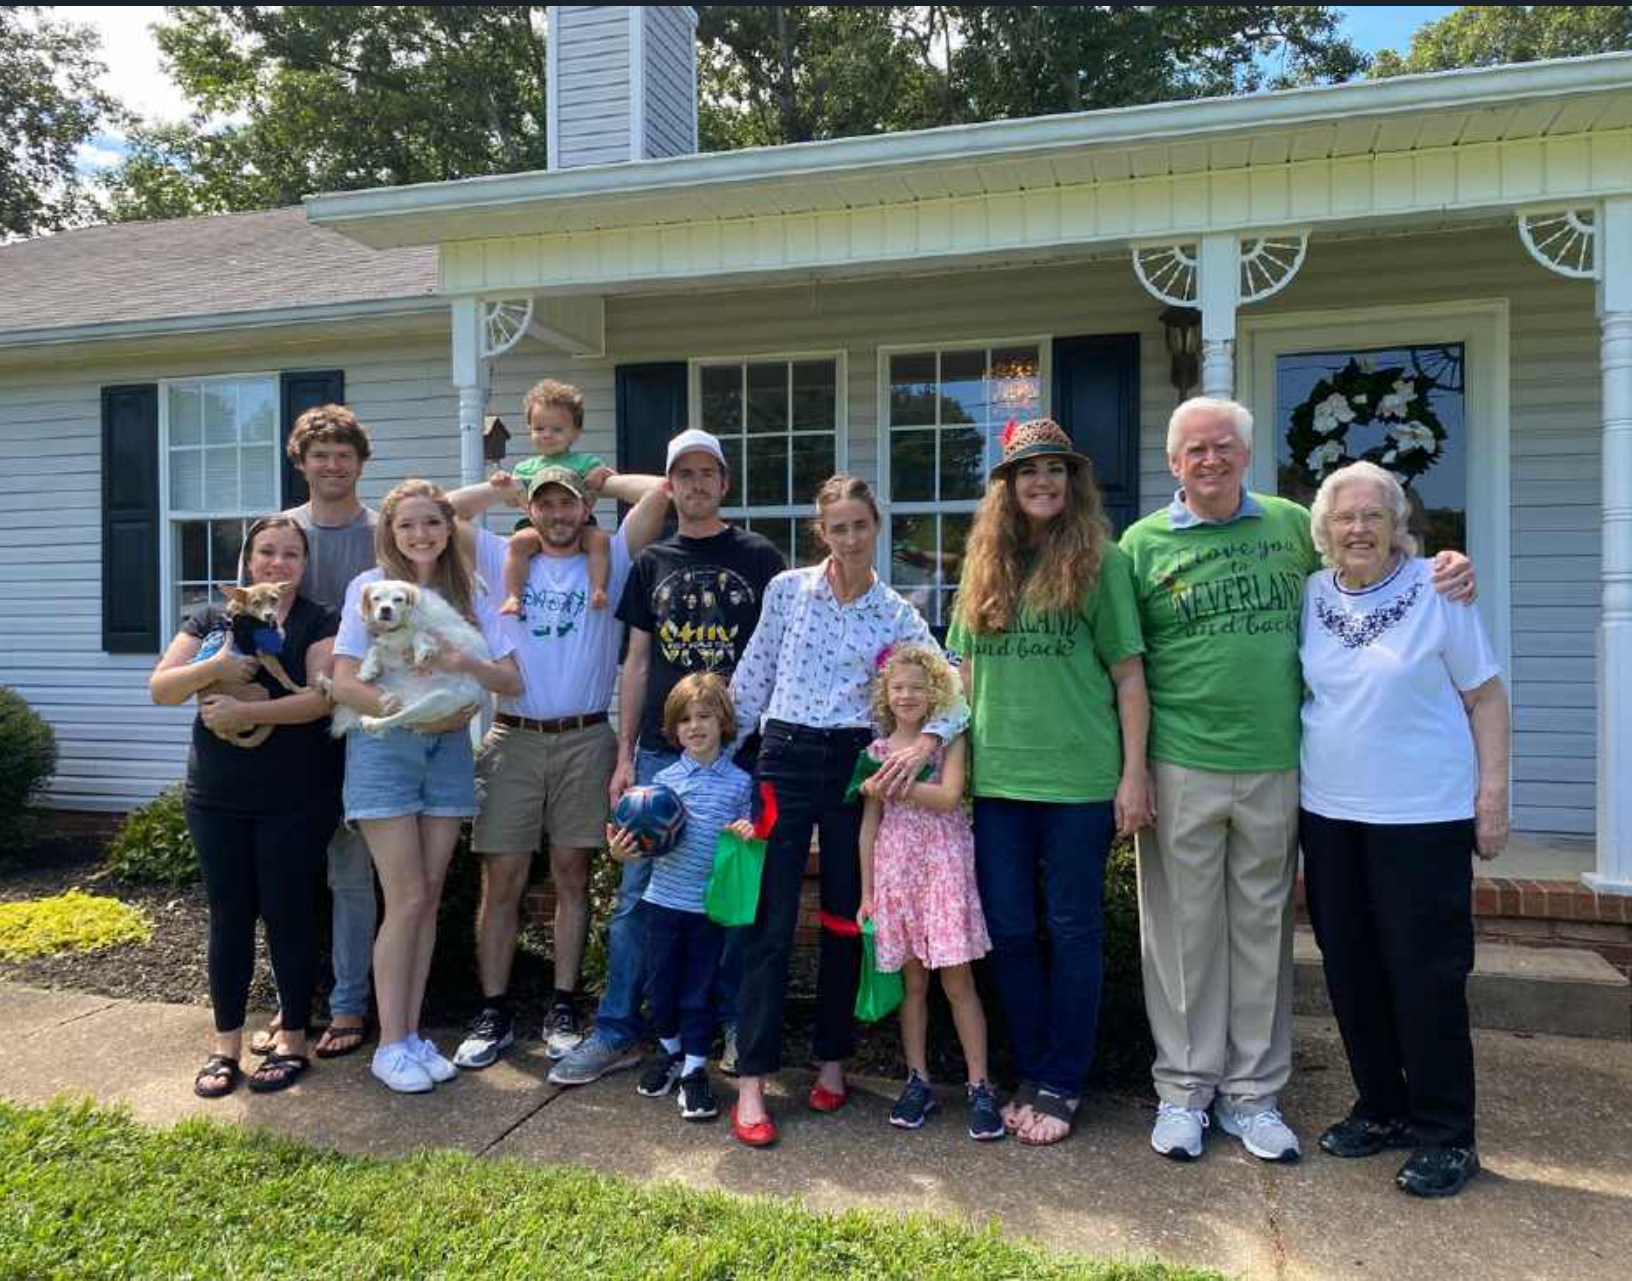

We live in a beautiful home on a little over an acre of land in Tennessee. We have a big back yard with lots of trees and a swing set. We have 3 bedrooms and a large play room. We love to decorate for Christmas, visit our many wonderful neighbors, and invite friends over to play.

Family

We have many family members close by! Allison's parents and both of her siblings live locally. Matthew's family lives about a day's drive away and visits often. There are lots of kids in the family, so our children will always have someone to play with!

Friends & Neighbors

We have many friends from all walks and stages of life—many of them with young children also. We visit with our neighbors often—including some beautiful horses who live at the end of our street!

Wendy

And of course, we can't forget little Wendy! She is our 6-year-old snuggle buddy. She's sweet and gentle and loves to run with Gabriel around our big back yard. She loves babies, so we know she'll be happy to have another baby in the house!

Adventures

We love to explore and find fun things to do as a family! We go on vacation every year, but we also love exploring local spots. There's a farm, an arcade, and an awesome kids museum, all close to home! We also love to explore our own back yard—Gabriel has a big swing set he's excited to share with a new sibling!

Thank you

Thank you for looking through this book. Please know that we are praying for you and your child as you walk through this process. It would be the greatest honor to raise this child, and we would make sure he or she knows and understands your love and bravery.

Sincerely,

Matthew, Allison, & Gabriel
