

CHRISTOPHER & LESLIE

Dear Birth Parent?

First, we want to acknowledge the incredible strength and love it takes to consider adoption. We can only imagine the emotions you may be feeling as you make this decision, and we want you to know that we see you, we respect you, and we are truly grateful for the love you have for your child.

If we are lucky enough to be chosen by you, please know that we deeply value the role you have in your child's life. We believe that love grows when it is shared, and we would love to figure out a way to stay connected that feels right for everyone involved. Whether that means updates, visits, or simply knowing that we are here, we are committed to creating a relationship built on trust and respect.

Thank you for taking the time to get to know us. No matter where this journey leads you, we hope you find peace and clarity in your decision.

Adoption has always been close to our hearts. Leslie has known since she was young that she wanted to adopt one day. Her sister, whom she loves dearly, was adopted, and she can't imagine her life without her. Her paternal grandmother was also adopted and often spoke about the deep gratitude she felt for her adoptive family. Chris is 100% on board and shares this passion, not only for welcoming a child into our home but also for honoring and supporting their birth parent in any way we can. Together, we are excited to embark on this journey with open hearts and deep respect for everyone involved.

ALL ABOUT LESLIE

Leslie is a kind, adventurous, and loving person who finds joy in both the little moments and big experiences in life. She works from home for a software company and enjoys what she does, especially the flexibility it gives her to focus on family & friends.

In her free time, Leslie loves to travel and explore new places, whether it's a road trip to the mountains or an overseas adventure.

She also has a passion for cooking and gardening, finding happiness in growing fresh ingredients and creating delicious meals to share with loved ones. Music and the arts have always been important to Leslie—she loves going to concerts, seeing live theatre, and experiencing the creativity of others. She also has a deep appreciation for the outdoors and enjoys camping, hiking, and spending time at the beach. Her two dogs are her constant companions, and she loves taking them on hikes and adventures.

Leslie has always loved baseball. She and Chris catch games whenever they can. Leslie enjoys making the holidays extra special. Hosting gatherings for friends and family. Making people feel welcome and creating special memories is something she truly enjoys, and she can't wait to share these traditions with a child, making every holiday feel magical and full of love.

Leslie is excited to share all of these passions with a child, encouraging curiosity, creativity, and a love of the world around them. More than anything, she is ready to give unconditional love and support to a child, helping them grow into whoever they are meant to be.

ALL ABOUT CHRISTOPHER

Chris is a generous, hardworking, and fun-loving person who brings warmth and laughter to everyone around him.

He works as a barber and truly loves his job, not just for the craft but also for the connections he makes with people every day.

A huge baseball fan, he especially loves cheering on the Cleveland Guardians and catching games whenever he can.

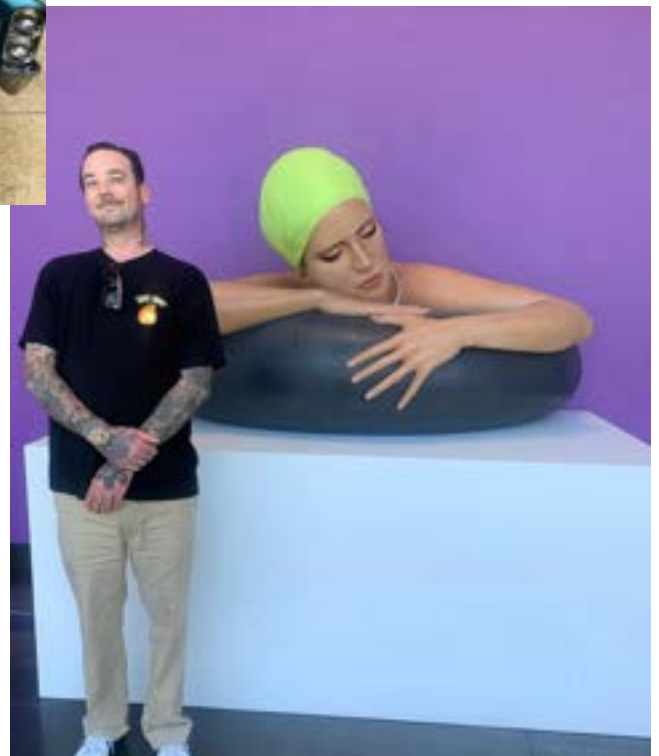

Music is another big part of his life—he enjoys playing guitar and discovering new artists.

In his free time, he loves watching movies, reading books, and traveling to new places.

Chris has a love for nostalgia, which is why one of his favorite things to do is explore antique stores in search of hidden treasures. Whether it's vintage baseball memorabilia or unique pieces with a story to tell, he enjoys the thrill of the hunt and imagining the history behind each find.

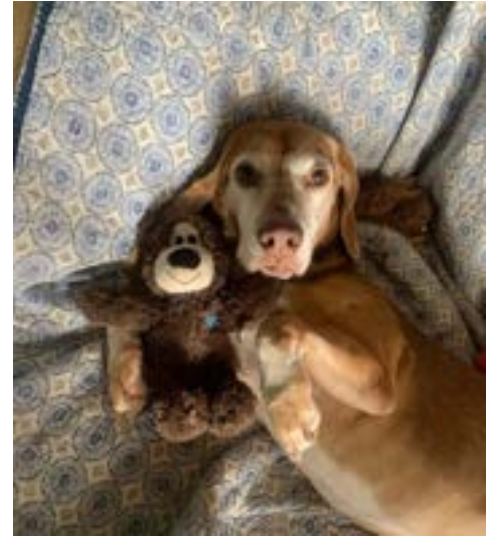

One of Chris's favorite possessions is his vintage Cadillac, a classic car that perfectly matches his love for history and timeless style. Whenever the weather is nice, he loves taking it for a drive, cruising down scenic roads with the windows down and music playing. Whether it's a leisurely weekend drive or a fun trip to get ice cream, there's something special about being behind the wheel of a car with so much character.

He and Leslie also love visiting museums, whether it's an art museum, a history exhibit, or something quirky and offbeat—they enjoy learning and experiencing new things together. Some of his favorite adventures are the ones he takes with Leslie and their dogs, whether it's a road trip, a weekend getaway, or just a long walk exploring somewhere new. Chris is so excited to become a dad and looks forward to sharing his passions, creating new traditions, and filling your child's life with love, laughter, and adventure.

OUR LOVE STORY

Our love story started in the best way—through music. We first met at a concert through mutual friends, but it wasn't until we later matched on a dating app that we really connected. From our very first conversation, it felt like we had known each other forever. We had so much in common and instantly clicked, always having the best time together no matter what we were doing. After years of love, laughter, and adventures, we eloped to Las Vegas in 2022, surrounded by 20 of our closest friends and family. It was the perfect celebration of our relationship—fun, meaningful, and full of love. Now, we're so excited to take the next step in our journey by growing our family through adoption.

MEET OUR SUPPORT SYSTEM

Our family & close friends are all in the exciting stage of growing their families, which means your child will have so many built-in friends from the very start! Our brothers, sister, and closest friends all have young kids of varying ages, and we love watching them grow up together. From playdates to holidays to family vacations, your child will always have a strong, supportive, and loving community of little friends to share life's adventures with.

We are lucky to have a small but incredibly close-knit circle of family and friends who mean the world to us. These are the people we celebrate life's biggest moments with, lean on for support, and share endless laughter with. They have been with us every step of our journey, and their excitement for our adoption is overwhelming. We know that your child will be surrounded by so much love, encouragement, and support from day one, with a whole community ready to welcome them with open arms.
