

Wesley
&
Barbara

Greetings,

We are Wesley and Barbara. We want to thank you for taking the time to get to know us. We would be honored to get the opportunity to be the adoptive parents to your precious child. We know this is a very big decision you are making and we pray that you feel very loved and supported during your adoption journey.

We want you to know that we are ready to welcome your little one into our family. We look forward to sharing all our love with your child and giving them a happy life. We hope to meet you soon!

WHY ADOPTION?

We believe that adoption is a beautiful thing where two families are connected through the common love of a precious child. We always want our child to know that he/she is adopted and that both families love them so much. We also want our child to know that we love and accept their birth family as an extension of our own family.

We have always wanted to be parents, but unfortunately we struggled for many years with infertility. During this process, we saw God leading us to adoption. We look forward to the day we get to share all our love with a special child, entrusted to us to raise by a selfless birth mother.

We would love the opportunity to share updates and milestones that your child has as they grow up. We believe in doing what is best by the child.

MEET WESLEY (BY BARBARA)

When I first met Wesley, I quickly knew he was a great guy and someone I wanted to marry. Wesley is probably one of the nicest people you will ever meet. He is always thinking of others before himself. Wesley's favorite thing to do is make people laugh.

Wesley spends his work days testing software and locating the parts that need to be fixed. Wesley works from home and has a lot of flexibility, which will enable him to dedicate more time to being a dad.

Wesley is a total outdoors person. He loves doing yardwork, planting flowers, and working in our Summer garden. Wesley also has a love for Christmas lights. Every year he decorates our yard with cool lights and decorations.

I hope you have enjoyed learning a little about Wesley and the great guy I know him to be. He is the best husband and I look forward to seeing him as a daddy!

MEET BARBARA (BY WESLEY)

When I met Barbara, I knew she was someone special. She was helping lead worship and a small church in our town. I fell in love with her the moment I heard her sing.

Barbara spends her free time playing piano and singing. Sunday mornings, you will find her playing the piano and singing with the praise team at our current church.

Barbara teaches music at the largest elementary school in our county. She is in year 19 of her teaching and loves her job. Barbara is great with her students.

Barbara also enjoys trying new recipes, harvesting veggies and fruit from our garden, and spending time with friends and family. In her spare time, she enjoys decorating the house for the different seasons.

I hope you have enjoyed getting to know a little about Barbara and the great companion I know her to be.

OUR HOME

Our hometown is the perfect mix of city and country. We live in a three bedroom house, with lots of yard space for kids to run round and play.

At Christmas, we decorate our yard with lots of lights. During the summer, we maintain a small backyard garden.

OUR COMMUNITY

In our community, we live just around the corner from an elementary and a middle school. We also have three parks less than a five-minute drive from our house. The park closest to our house has a playground, some sports fields, and a greenway walking trail. The second park is a landmark park with a covered bridge you can walk across, a huge playground, and a swimming area.

Our town is known for its 4th of July steam engine parade. It is the largest steam engine parade in the United States.

OUR FAMILY

Family is very important to us. We love to visit for holidays, celebrations, and “just because” too. Both of us came from very loving homes where family always came first. Here are some photos of our immediate family. Each one of these people are super excited to have a new member of the family.
