

Jordan & Amanda

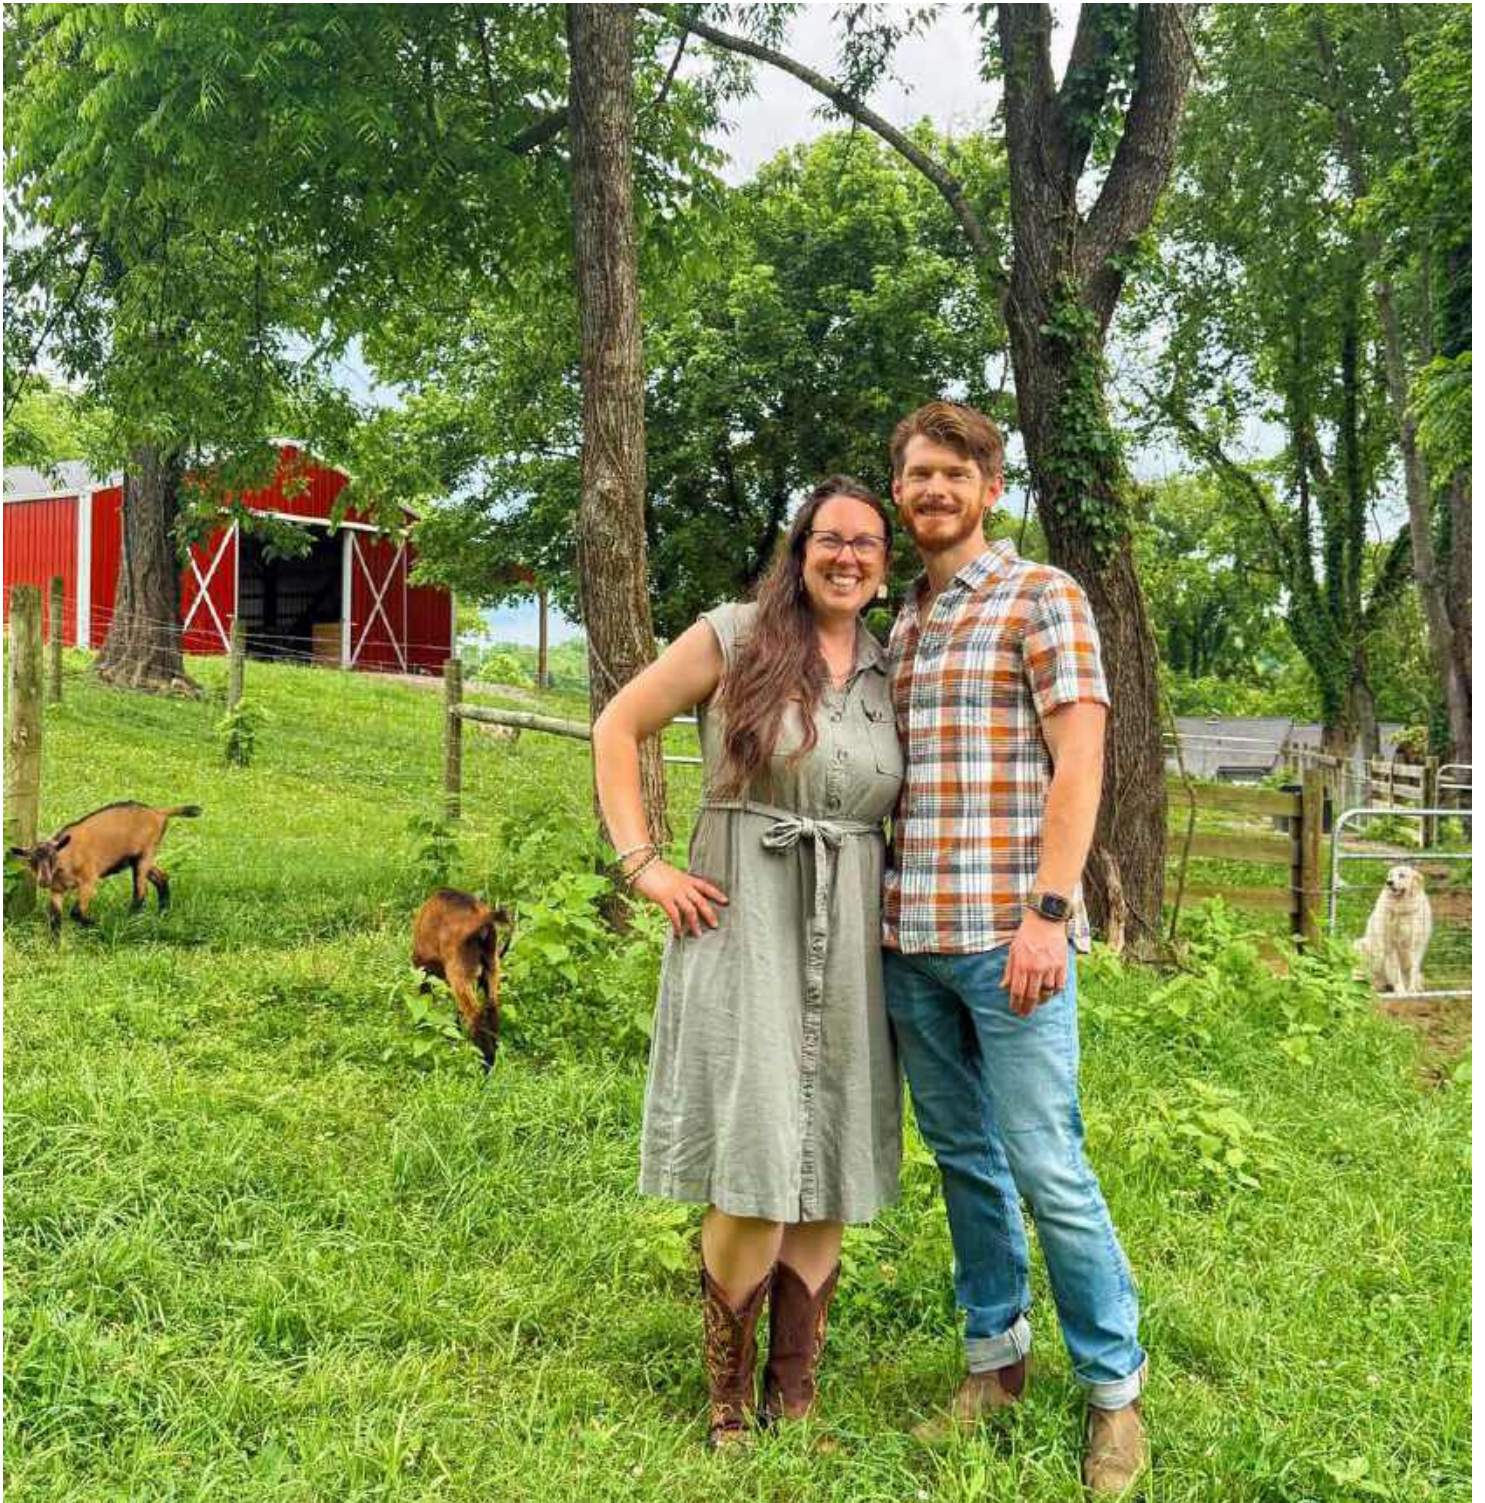

DEAR EXPECTANT PARENT(S),

Hi, we are Jordan and Amanda. Thank you for taking the time to learn a little about us and our family—it truly means a lot. We're so honored that you're choosing adoption and humbled to be part of your journey. We're excited about growing our family through adoption, and we hope that as you read our story, you'll get a real sense of who we are and the kind of life we hope to share with your child.

Why We Chose Adoption

Adoption has always been something close to our hearts, even early in our relationship. But over the last several years, it's become more than an idea—it's become our path forward to growing the family we've longed for. After years of infertility and two heartbreaking losses through IVF, we've walked a road that has been filled with both pain and hope. Through it all, our desire to become parents never changed—it's only grown stronger. We've cried, prayed, and leaned on each other, and we still believe that God is writing a beautiful story for our family. We believe adoption is a sacred and selfless act—one that begins with deep love. We are humbled and honored to be considered as adoptive parents, and we don't take that lightly. We're ready to open our arms and our hearts to a child, to love them unconditionally, and to raise them in a home where they are safe, supported, and deeply cherished.

about us

HOW WE MET

We met in college back in 2007, both studying nursing. What started as a sweet friendship quickly became something more. We shared the same values, the same sense of humor, and a love for helping others. By the time we graduated in 2011, we knew we were meant to be together. We started dating shortly after graduation and got married the following November! Since then, our life together has been full of love, faith, and a whole lot of adventure. We've traveled coast-to-coast (twice!), visited several national parks, and made so many sweet memories along the way. In 2021, we took a big leap of faith and moved to Tennessee to start a farm—becoming first-generation farmers! It's been hard work, but we love every moment of it. Through every season, our shared love for God, family, and adventure has kept us going—and keeps us excited for what's next.

about JORDAN

Hi, I'm Jordan. I grew up in California and had a childhood full of adventure—playing sports, spending time outdoors with my family, and going to Disneyland more times than I can count. I've always loved being active, curious, and learning new things. These days, I work as a nurse and help run our farm, which keeps life full and meaningful. I enjoy being outside, caring for our animals, going for runs, and finding small adventures in everyday life. One of my greatest joys is growing alongside Amanda and building a life we love together. I'm always working to become a stronger leader in our home and to trust God in every season—especially as we prepare to grow our family. I try to give my whole heart in all I do, and I can't wait to pour that same love into being a dad.

about Amanda

Hi, I'm Amanda. I grew up in Indiana with my parents and 4 siblings. Growing up we enjoyed visiting local parks, attending a lot of sporting events (especially at Notre Dame), and taking our annual vacation to TN. Today I work as an IT nurse and am a first generation farmer! I do my best to live life full of intention and joy. Some of my favorite things include cheering on Nashville Soccer Club, listening to music (especially on vinyl!), and of course spending time on our farm. I'm a huge fan of slow mornings, good coffee, and evenings spent watching the sunset from the barn. My faith is the foundation of who I am. I trust God deeply, and that faith shapes the way I love others, the way I face challenges, and the way I hope to parent one day—with grace, strength, and lots of love.

THROUGH EACH OTHER'S EYES What Jordan thinks about Amanda

Amanda is full of life, warmth, and compassion. She brings joy and calm to our home, and there's no one else like her. She's the kind of person who always notices the small things, makes people feel seen, and finds beauty in the everyday. Watching her work on the farm and care for our animals reminds me just how deeply she's made to nurture. Her faith, laughter, and love for others are contagious. I know she'll be a devoted, loving mom—one who will help your child grow up confident, cared for, and deeply known.

THROUGH EACH OTHER'S EYES

What Amanda thinks about Jordan

Jordan is steady, kind, and thoughtful in everything he does. He has a quiet strength that shows up in how he cares for people—whether it's his patients, our animals, or me. He's the kind of person who listens first, thinks deeply, and loves with his whole heart. He works tirelessly to build a good life for us and will always ensure we have everything we need. He's my best friend, my partner in every adventure, and I know he'll be the most incredible dad—patient, present, and full of love.

Our Home

Our home is a place where love is felt deeply and laughter is part of everyday life. It's filled with warmth, music, art, game nights, and the simple joys of daily rhythms. We've built a life rooted in faith, love, and togetherness—and we can't wait to share it all with your child.

Amanda's Family

Amanda has 4 younger siblings! We love getting to spend time with her family and making the most of our time together. This photo show all of Amanda's siblings and all our nieces and nephews on her side.

Jordan's Family

Jordan's parents have a place just down the road from our farm so they often visit and help us with farm chores! Jordan has one older sister who is married and they have 5 kids. We were so lucky to have their whole family out to the farm last summer for a fun visit.

our FRIENDS

We're surrounded by a close-knit group of friends who feel more like family. Many of us do life together through small group, weekly family dinners, and game nights filled with laughter. These are friends who show up, pray with us, cheer us on, and lend a hand when it's needed. They share our values and lifestyle, and they're so excited to welcome your child into the circle. Your little one will be deeply loved—not just by us, but by a whole community ready to support, celebrate, and walk alongside us.

Pets

Living on a farm we have lots of animals!
Inside we have 2 cats (Bubba & Jasper) and 2 dogs (Bellatrix & Carl).
Outside we have cows, goats, chickens, ducks, and a livestock guardian dog!

Adventure's

Together we love to see and experience new places, people, and foods! We appreciate the beauty of world around us, and try to soak in as much as we can each year, whether it's around our home or a far off destination. We have traveled coast to coast twice, visiting many of the National Parks along the way! One of our favorite places to vacation is Dauphin Island, where we can enjoy the best beaches and some amazing seafood.

Jordan & Amanda's Careers

We've both been nurses for over 13 years and still love what we do! Jordan works at a surgery center and Amanda is an IT nurse. We balance our healthcare careers with our life on the farm and we wouldn't trade either job. Whether we're in scrubs or muck boots, we love working hard, helping others, and doing work that matters.

Our Promise to you

We want you to know that if you choose us, your child will be cherished beyond words. They will grow up in a home full of love, laughter, and unwavering support.

We promise to honor their story—including yours—as something beautiful and sacred. We will raise your child to know where they came from, and to feel proud of it. They will grow up knowing they are deeply loved—not just by us, but by you. We promise to create a life where they feel safe, seen, and encouraged to become exactly who they were made to be. Our home will be a place of honesty, kindness, adventure, and faith. We promise to show up every day with love, patience, and the kind of presence that helps a child thrive.
