# Home Is Where Love Truly Grows

-We live in a warm, cozy four-bedroom, two-bathroom home.

-In our home, creativity and curiosity are nurtured, traditions are cherished, and every moment is celebrated.

-Our backyard is a personal oasis. We have a grassy area to run and play, dining area, swimming pool, and fruit trees.

-We love that our neighborhood is safe, culturally diverse and welcoming. We are in one of the best school systems in the state and less than a 10 minute walk to two parks!

\*We will install a safety gate around the pool, and have private infant swim lessons at the house to ensure your child's safety.\*

We eagerly look forward to the day when we can watch our child run around the house, exploring and making joyful noises, discovering new places, and showing them the wonders of the world.

"The bond  
that links  
your true  
family is not  
one of blood,

but of respect  
and joy in  
each other's  
life."
