Hello Expectant Mama

We are deeply humbled that you would take the time to consider us as adoptive parents to your child. We enter this process with hearts open wide and we thank you for taking the time to get to know us through these pages. While we can't pretend to know the wide range of emotions you are facing, we can promise that we will meet you where you are on this journey. It is our hope that our story will provide you with great peace as you move forward.

WAYLON

About Waylon

I am a third-generation resident of Merritt Island who grew up surfing, fishing, boating, and watching rockets launch off the Space Coast. Professionally I have been a test pilot for Sea Doo. I've been self-employed since 2004. I worked in radio as a broadcaster for 7 years and I owned a successful landscape company that kept 18 people employed at its height. I have been a DJ since high school and today I travel the SE bringing high-end parties and weddings to life. I have been the top individual Realtor at Keller Williams Space Coast for 2020, 2021, 2022 and 2023. This is evident because I understand that buying or selling real estate is complex and deeply personal. I enjoy working out on a regular basis at my gym, where I am also a volunteer trainer. I like to work on old tractors that I inherited and enjoy every chance I get to vacation. I also enjoy driving my Jeep deep into the woods looking for a place to get stuck, then turn it into an adventure. I spend lots of time in my yard planting, trimming, and designing. I choose to live life and to love others.

- I DJed for Elon Musk
- I have been a fitness trainer for 7 years
- I almost bought a Donut shop in Gatlinburg, TN
- My first job was at Chick-fil-A
- I slalom (one leg) water-skied the 7-mile bridge in the Keys

“Waylon truly loves people and has the biggest heart of anyone I know.” -Andrea

About Andrea

I grew up in New England before moving to Florida in my 20s. In Rhode Island, I enjoyed summer days at the beach, and ice skating and sledding in the winter. I went to a small private school for 9 years where some of my favorite childhood memories were created and I made many close friends, whom I still keep in touch with today. In school, my favorite subjects were always history and English. I played softball and tennis throughout my childhood and still enjoy staying active by going to the gym a few times a week. I live a healthy and active lifestyle and love vacationing near and far! I go to Disney almost weekly and just recently visited St Thomas in the Virgin Islands and swam with sea turtles! In my spare time, you will either catch me at the gym, getting coffee with a friend, or taking a walk on the beach.

- My favorite food is lasagna
- The first concert I went to was NSYNC
- My first job was at Dunkin Donuts at 16 years old
- I have scuba-dived to a shipwreck
- I was a DJ for 6 years

OUR LOVE STORY

Andrea + Waylon

Andrea and I have been married for 15 years. I first met her at church and had a very short conversation with her. On my way home I was talking to my best friend and I told him that I met the girl I'm going to marry. Definitely love at first sight! We were engaged eight months after we met and married a year later. Andrea is smart, kindhearted, trustworthy and loyal to all her friends and family. She has always been dependable, patient and extremely beautiful. We love to laugh, travel, and work on the growth of our two companies together. I fell in love with her because she made me realize how important I am and how special I was to her. - Waylon

Waylon is one of a kind! His positive, people-loving energy is contagious and unforgettable. Waylon truly loves people and has the biggest heart of anyone I know. He puts his all into all of his relationships and his family means everything to him. When I first met Waylon I was drawn to his beautiful blue eyes and his humor. I inevitably fell in love with him and our adventure began in 2007! Since then we have married, travelled extensively, bought a home and started two successful businesses. There is never a dull moment with Waylon and laughter is always present. Waylon is trustworthy, hard working, positive, nurturing and fun loving! Waylon wants the best for those around him and thrives on helping to make others successful. Because of those things he is an inspiration to myself and many others. - Andrea

WE HAVE ALWAYS
DREAMED OF HAVING

a large family.

For many years we have prayed to grow our family, while at the same time helping others. We have supported an orphanage in India for 20 years and God has always put it in our hearts to take it a step further and adopt. We know a child in our home will be loved unconditionally and have their "tribe" with them forever.

**We have a few promises from our family to you
if you choose us to raise your child...**

We desire to build a relationship with you based on trust, respect, understanding, and love. We promise to honor your child's heritage and the importance of where they came from. Our love is unconditional. There we will be snuggles, hugs, kisses, and daily "I love you."

We promise to provide support and opportunity for happiness and growth.

Adeline

Caring, passionate, and a leader. She enjoys sketching, ballet, and swimming.

Farrah

Playful, witty, and intuitive. She enjoys gymnastics, animals, and swimming.

Beckham

Happy, loving, and curious. He enjoys stacking blocks, balls and playing outside.

**We truly live in the
most beautiful place.**

THIS IS
home

We reside in a four-bedroom, three-bathroom, one-story home. Our home is approximately 2,900 square feet on a quarter acre of land. We have a screened-in pool, hot tub, a fire pit, and a beautifully landscaped yard with a large playground.

We live in south Merritt Island, between 2 rivers. We are 15 minutes to the ocean, NASA is on the north end of Merritt Island so we see rockets launch almost daily, we are 25 minutes to the 2nd largest cruise port in the world, and Disneyworld is only a one-hour drive! Our neighborhood is quiet and adorned with beautiful landscapes, hills, roaming peacocks, bunnies, many native birds, and tortoises. We are close enough to the beach to enjoy all the festivities of downtown Cocoa Beach and also close enough to Orlando to be pass holders at Disney World.

Historic Cocoa Village is nearby with many great restaurants, a playhouse, a kid's splash pad, monthly craft fairs/festivals, and an amphitheater.

OUR FAMILY

Traditions

-We hold all major holidays and birthdays at our home and love hosting family, along with friends.

- We visit Waylon's extended family in East Tennessee every fall.

- We travel to Rhode Island in the summers to visit Andrea's family extended family.

- Every Memorial Day weekend we go to Gaylord Palms in Orlando and enjoy the water park, atrium, and great restaurants.

Thank you so much for taking the time to get to know us.

We have so much respect for the brave and loving choice you are making by considering adoption for your child. Our family is really ready to grow, and we are honored that you may become part of this journey. We are here to answer any questions you might have and to support you in being as much a part of your child's life as you'd wish to be.

WITH LOVE
