## A LITTLE ABOUT US:

We've always wanted to add another child to our family. After Karla had complications with our last pregnancy we began to feel God calling us to adopt. We're excited to become a family of five this way! We'd love to provide a loving, caring home to your child as her adoptive parents. Raising children together has been an honor and joy for us. We'd cherish the opportunity to share our love and family support, faith, traditions, and fun adventures with your little one.

## FAMILY MOTTO:

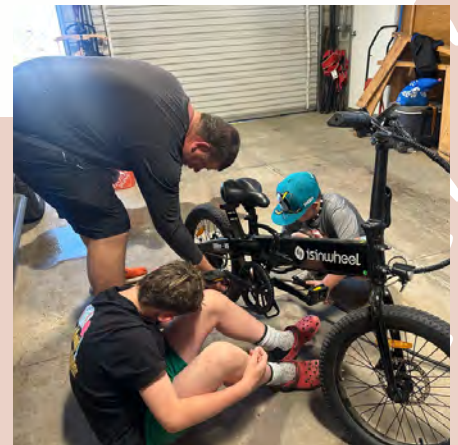

Enjoy life to the fullest!

## 3 GOALS WE KEEP AS WE RAISE OUR KIDS:

- Teach them to love first & care about others.
- Keep the faith always.
- Work hard for what you want; anything is possible!

## 3 THINGS WE LOVE ABOUT WHERE WE LIVE:

- This is a very safe area to raise a family.
- We can experience city life one day, then be in the mountains the next.
- There is so much to explore and do together outside, at home and in our town.

## BEHIND THE SCENES OF LIFE IN OUR FAMILY

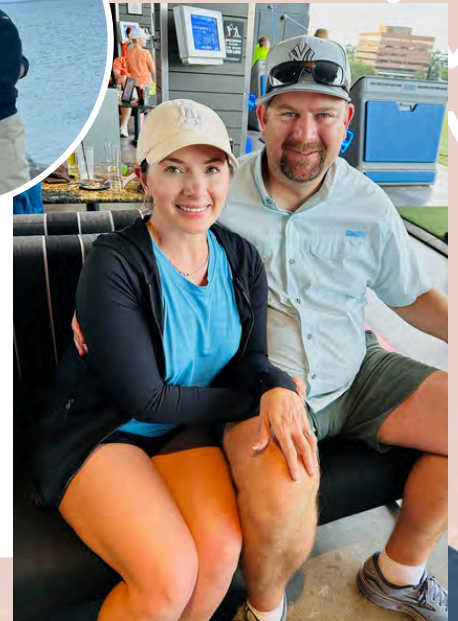

## WHAT OUR LOVED ONES SAY:

“Luke and Karla are happy, supportive, God-loving, and hard working.”

## OUR PLANS FOR CHILDCARE:

Karla works four days a week and has an option to work from home. On days when she has to go to the office, we will have the help a grandmother and aunts, who all live close by.
