

Cal & Daniela

Hi there!

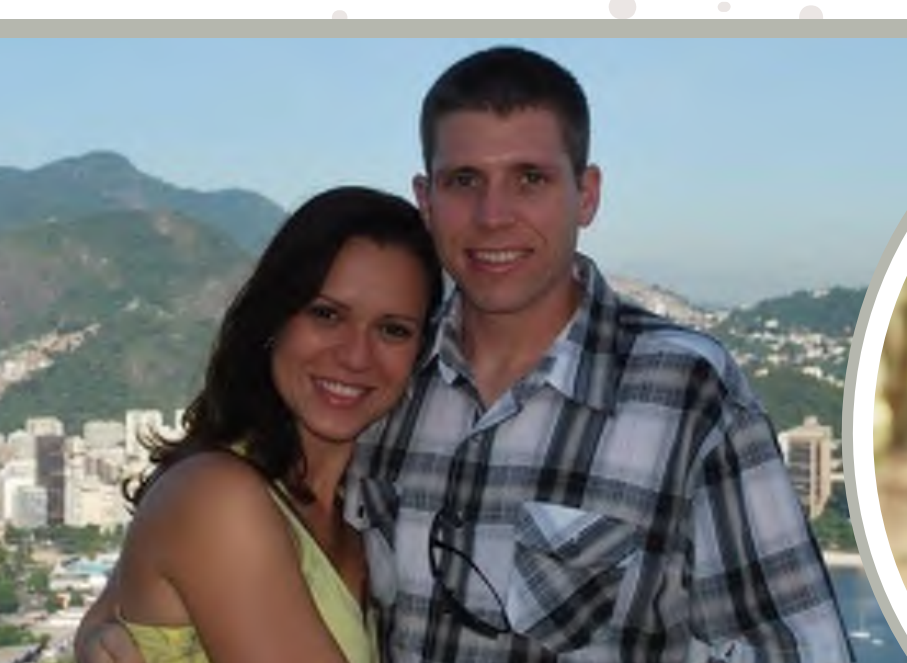

We have spent much time in prayer and reflection about adoption, and we believe God has lovingly guided us to this path. We can only imagine how emotional and challenging this journey may be for you, and we deeply respect the strength, courage, and love it takes to walk through it. If you feel led to allow us to be part of this journey with you, we would be truly honored and grateful for the opportunity to love, nurture, and care for your child, who would bring so much joy and light into our lives.

A FEW OF OUR FAVORITE THINGS

- SPENDING TIME WITH FAMILY AND FRIENDS
- WATCHING A GOOD MOVIE OR TV SHOW
- HIKING AND GOING TO THE BEACH
- CRAFTS AND PAINTING POTTERY
- ENJOYING NATURE ON THE PORCH WHILE HAVING SOME COFFEE.

We met while both serving in the military, coming from different countries but sharing similar values and a strong sense of purpose. From the very beginning of our relationship in 2012, our shared experiences—and Cal’s fluency in Portuguese—helped us feel connected in a way that was immediate and genuine. What started as a simple conversation quickly grew into something deeper, built on mutual respect, laughter, and an easy understanding of one another. After we were married, we built a life together and later chose to settle closer to Cal’s family.

Creating a life across cultures became one of the most meaningful parts of our journey. Daniela bravely embraced the challenge of learning a new language and adjusting to a new environment, and we leaned on each other through every step of that transition. There were moments of uncertainty, but also countless moments of growth, joy, and shared pride as we found our rhythm together. Those experiences taught us patience, empathy, and the true value of teamwork, deepening our bond and shaping the loving, supportive partnership we share today.

BECAME ONE OF THE MOST MEANINGFUL
PARTS OF OUR JOURNEY.**

Along the way, we have created many joyful memories together. We've shared fun adventures, like traveling and exploring new places, but we also find just as much happiness in the quiet moments at home, especially when we're cooking together and enjoying everyday life side by side. Through it all, we have become each other's best friend and greatest source of encouragement.

Our faith plays an important role in how we approach life and the family we hope to build. We believe that being guided by God's teachings brings us clarity, peace, and confidence that the choices we make will lead us along the right path.

OUR HEARTS ARE FULL OF LOVE, AND WE ARE DEEPLY EXCITED TO SHARE THAT LOVE WITH A CHILD AND TO BUILD A HOME FILLED WITH WARMTH, FAITH, AND JOY.

A NOTE FROM CAL

What I love most about my wife, Daniela, is her loving and caring nature and the huge heart she brings to everything she does. She has a deep love for children and cares profoundly for her family, always putting others before herself. Her strong faith in God guides the way she lives, giving her a sense of purpose, compassion, and steadiness in all that she does. Daniela also has a wonderful sense of humor and a fun-loving personality that brings joy and laughter into our home. Her warmth, faith, and joyful spirit make her an incredible partner and someone who will be a loving, nurturing mother. It is so heart-warming to see the love she has for her nieces and nephews, and I can't wait to experience the love she will give to our adopted child!

OUR Family

Daniela's family lives abroad and is very close-knit, with strong bonds between siblings, parents, and extended relatives. They cherish time spent together celebrating holidays, birthdays, and special family traditions, and those moments are filled with laughter, warmth, and togetherness. Daniela's family has been able to visit us several times, and they are excited to return and continue creating meaningful memories together. Cal's family lives nearby and plays an important role in our lives. We are fortunate to spend regular time together, especially with nieces and nephews who bring so much joy and energy into our family gatherings. Holidays and time spent together, often near the water or simply enjoying each other's company, are moments we truly treasure.

OUR Home

We live in a safe and peaceful neighborhood surrounded by nature. Our home is a two-story house with a basement, offering plenty of space for our family to grow. We have a large yard where children can run, play, and explore, as well as a barn where we enjoy hosting friends and family for fun barbecue gatherings. A beautiful public park is just seven minutes from our home and is a great place for spending quality time outdoors. We also love that our favorite pizza place is just a short drive away, making family pizza nights easy and fun.
