TOURING THE COLOSSEUM IN ROME, ITALY

We know this is such an emotional journey, and while we can't fully understand everything you're feeling, what we do know is the love and lifelong connection we hope to share with your child. Our dream is to be caring dads, patient teachers, and a constant source of support as they grow.

None of that would be possible without you, and we're so grateful for the chance to share our story and our hopes of becoming parents.

CELEBRATING OUR PUP'S BIRTHDAY

WE ARE ADOPTING

**BECAUSE OUR
GREATEST DREAM
HAS ALWAYS BEEN TO
BECOME PARENTS.**

We have so much love to give and we believe family is built on connection, care, and commitment—not just biology. Adoption gives us the chance to open our hearts and our home to a child, to guide them through life, and to celebrate every moment with them.

**We feel ready to nurture, support, and love a child unconditionally,
and adoption is the path that allows us to fulfill that dream.**

OUR STORY

We first met through Facebook Dating, and our first date was at Poncho Villa, a Mexican restaurant

in Goodlettsville, Tennessee. When Jason arrived, his very first words were, “Well, I’m here.” It was a simple moment, but one that felt meaningful—I knew right then that I had found someone truly special. Jason was a bit more reserved in the beginning, but as we spent more time together, it quickly became clear to both of us that we had found a lasting connection. That connection grew into a deep love and partnership, and on June 1, 2024, we were married surrounded by the family and friends who have supported us along the way.

We celebrated our marriage with a two-week honeymoon in Italy, where we explored new places, created wonderful memories, and began the next chapter of our lives together as a married couple.

ON OUR HONEYMOON IN ITALY

MEET JOEY

Music is one of my biggest joys—I'll never pass up the chance to play a little disco or sing along to Freddie Mercury. I love the creativity and energy in Keith Haring's art, and that same love of design shows up in my sneaker collection too (I can never resist a great pair!). Kids and pets have always held a special place in my heart, and I find myself happiest when I'm around them. I work at Tiffany & Co., where I get to combine my appreciation for beauty and craftsmanship with connecting to people in meaningful ways.

BOTH JOY AND
CREATIVITY
INTO OUR
LIVES.**

At home, we love spending time outdoors landscaping and gardening, making our yard a beautiful and relaxing space to enjoy together. We also enjoy cooking and trying new recipes, often turning mealtimes into fun experiences. Traveling is another passion of ours—we love exploring new places, learning about different cultures, and creating lasting memories along the way. And when we're looking for something playful and creative, we enjoy building with Legos, which lets us unwind and use our imaginations. We look forward to sharing all of these hobbies with our child and creating new traditions together.

OUR HOME

IS A WARM AND WELCOMING PLACE WHERE FAMILY AND FRIENDS OFTEN GATHER.

We've worked hard to create a space that feels comfortable, safe, and full of love—a place where a child can grow, play, and feel truly at home. We live in a family-friendly community with great schools, parks, and plenty of opportunities for children to explore and thrive. Our neighborhood is close-knit, and we're surrounded by supportive friends and neighbors who look out for one another. It's the kind of place where children can ride bikes, play outside, and enjoy the simple joys of childhood.

We can't wait to share our home and community with a child, filling it with laughter, learning, and love.

WE CAN'T WAIT TO FILL THIS ROOM WITH STORIES, LAUGHTER, AND SNUGGLES!

OUR PETS

We share our home with three wonderful dogs who bring so much joy and love into our lives.

Daxter is a West Highland White Terrier, and Zoey and Zella are King Charles Cavaliers. Zoey is happiest when she's curled up in her favorite bed with the TV playing softly in the background, while Daxter and Zella love chasing and playing together. No matter their differences, all three can agree on one thing—they get so excited for a crunchy piece of ice!

OUR DOGS ARE AN IMPORTANT PART OF OUR FAMILY, AND WE CAN'T WAIT TO SEE THE BOND THEY HAVE WITH OUR CHILD.

They are a constant source of love, laughter, and support, and they are just as excited as we are about our journey to parenthood. Our family is always there to celebrate milestones, share holidays, and create lasting memories together.

We know that our child will grow up surrounded not only by family, but also by this incredible circle of friends who will love and support them as their own.

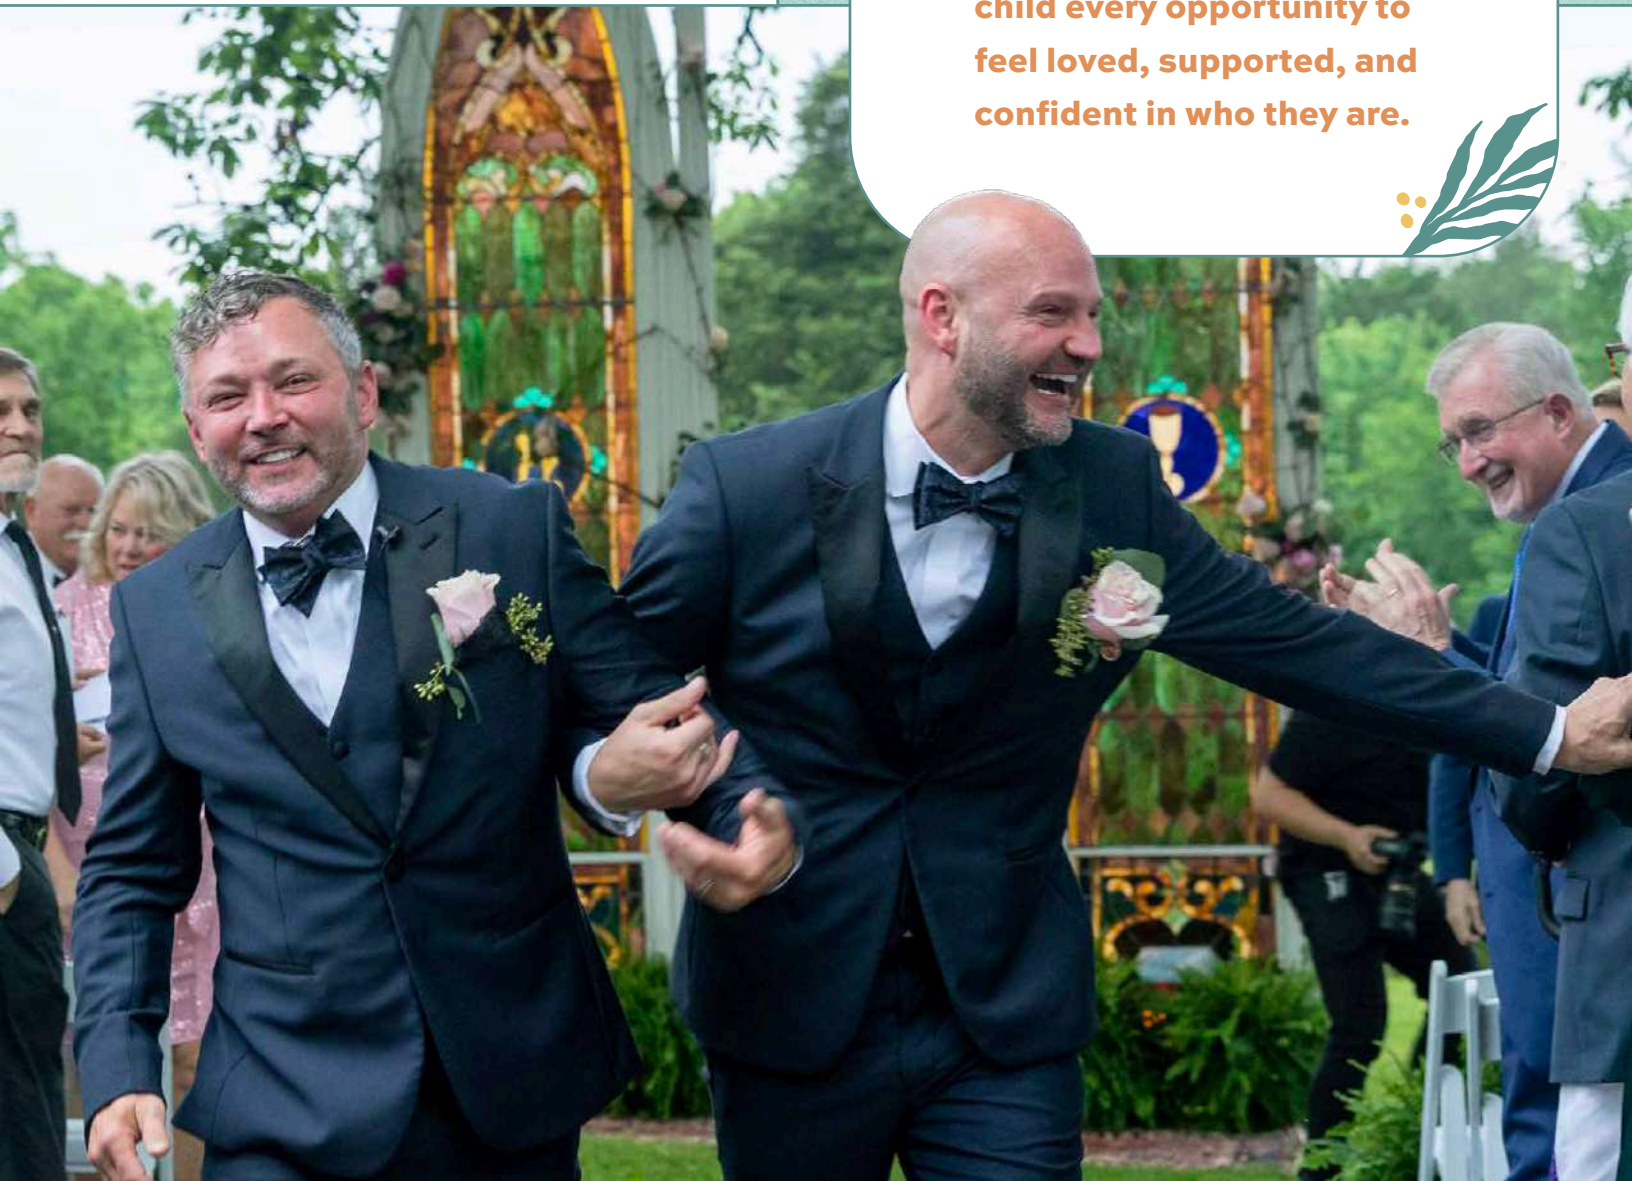

THOUGHTS ON PARENTING

To us, being parents means providing unconditional love, guidance, and support while creating a safe and nurturing environment where a child can thrive. We want to encourage curiosity, celebrate individuality, and teach values like kindness, respect, and resilience. We know that parenting is not about being perfect, but about being present—listening, learning, and growing together as a family.

Our hope is to give our child every opportunity to feel loved, supported, and confident in who they are.

THANK YOU SO MUCH FOR TAKING THE TIME TO GET TO KNOW US.
